Two Kenton Youths Killed in Light Plane Crash

CRAFT CRASHES IN STALL AT LOW ALTITUDE

Pilot with Private License and High School Senior Are Victims.

By The Associated Press

KENTON, June 4 — Two Kenton youths died last night in San Antonio hospital as a result of injuries suffered when their two-place Luscombe sport plane crashed on the farm of Herb Wentz, eight miles west of Kenton near Forakker.

The dead are Walter Baum Jr., 19, the pilot, son of Mr. and Mrs. Walter Baum of Kenton and Don Wright, 16, passenger on the flight, a Kenton High school junior and son of Mr. and Mrs. Chester Wright.

The crash occurred at 7 p. m., 45 minutes after the youths took off from the Kenton School of Aeronautics field for a routine flight during which Baum was practicing aerial acrobatics.

An eyewitness said the plane was flying low and stunting over the farm of John Kraft west of Kenton just before it crashed. Farmer Herbert Wentz and his helper, Oscer Holcomb pulled the two youths from the wreckage.

Account of Witness

Charles Moore, another farmer, witnessed the crash. He said: "The plane circled around. It was running quite low and shot up suddenly. It counded like the motor quit. It turned into a bank and nosed down. The pilot had either cut the motor or it died."

George W. West, manager of the Kenton School of Aeronautics, said today "I flew the plane the boys were using several times yesterday and it was completely air-worthy. The ship had just been refueled before the boys took off at 6:15 p. m." West reported young Baum had completed his private pilot training last March and was working on a commercial pilots license at the time of his death. West said, "Walter Baum was a cool, smart, level-headed flyer. In my opinion when he saw he was too close to the ground when he stalled he cut back on the throttle to let the ship recover but the plane crashed because of insufficient altitude.

Report Plane Stalled

The crash occurred when the pilot apparently attempted a steep banking turn at only 200 feet altitude. The plane stalled cut during the bank and plunged earthward burying the nose some two feet in the ground as it crashed.

Wright died at 11 p. m. Walter Baum Jr. died at 3 a. m.

Licensed in March

Baum was granted his private pilots license in March of this year. Air school authorities said he had about 100 flying hours to his credit. The plane was owned by the Kenton School of Aeronautics. It was demolished in the crash.

The Civil Aeronautics Administration was to conduct an investigation today.

Served in Coast Guard

Baum was born Jan. 1, 1928, in Kenton. Graduated from Kenton High school in 1945, he entered the U. S. Coast Guard Nov. 29, that year. He served 18 months in Alaska and received his discharge June 30, last year. Following his discharge, he became an employe of the Champion Equipment Co. in Kenton. He was a member of VFW.

Surviving with his parents are brothers and sisters, John of Kenton, Charles at home, Mrs. Elmer Dietz, Mrs. Marguerite Rettig and Mrs. Sylvester Unkart, all of Hardin county.

Funeral services will be conducted Sunday at 1:30 p. m. in the Schindewolf funeral home, Kenton, by Rev. Lee Page of the Kenton United Presbyterian church. Burial will be in Grove cemetery, Kenton.

Wright was born Dec. 26, 1931, in Kenton. He was a junior in Kenton High school, and was a member of Co. E, Ohio National Guard.

Surviving with his parents is a sister, Sally Wright, and grandparents, Mr. and Mrs. Clifford Wright and Mr. and Mrs. Don Henkle, all of Kenton.

The body was taken to the Price funeral home. Funeral services will be conducted Sunday at 2:30 p. m. in St. John Evangelical and Reformed church by Rev. H. Pfister. Burial will be in Grove cemetery, Kenton.

250 GRANTED PAY RAISE

TIFFIN, O., June 4—Two hundred fifty employes of the Sterling Grinding division of the Cleveland Quarries Co. won pay hikes of five cents an hour yesterday, their AFL union reported. The company also agreed to an incentive hourly bonus of a cent and a half.

DR. ARTHUR S. FLEMMING
New OWU President

Appointment of OWU Prexy Is Confirmed

Special to The Star

DELAWARE, O., June 4—Dr. Arthur S. Flemming, whose appointment to the presidency of Ohio Wesleyan university was confirmed officially last night, will take over his new duties Sept. 1. He will be one of the youngest presidents in the school's history.

Forty-three years old and the first layman to hold the post, he succeeds Dr. H. J. Burgstahler who became chancellor of the university last June.

At Washington today he said he was a believer in the teaching of "practical politics" as a means for assuring better government. "Students should be encouraged to offer their services to the local political leaders, even if they can only ring doorbells at the start," he said.

Dr. Flemming has been on the Ohio Wesleyan board for six years. He has spent 21 years in Washington in education and governmental work. A member of the civil service commission, he recently was appointed to a 12-man commission headed by Herbert Hoover to study the reorganization of the executive branch of the government.

"They say I am the youngest man ever elected president of Ohio Wesleyan, but that isn't correct. It was James W. Bashford who was named in 1889. Nor was I the youngest man appointed to the civil service commission. That was Theodore Roosevelt," he said.

Has Five Children

Dr. Flemming was married in 1934. The Flemmings have five children — Elizabeth Ann, 12; Susan Harriet, 9; Harry Sherwood, 7, and twin boys, Arthur and Thomas, 4.

Dr. Flemming is a Republican well known on Capitol Hill where he frequently presents civil service commission viewpoints before congressional committees.

As an advocate of the teaching of practical politics, he proposes "interneships" for students interested in entering government service. Under such a plan, the university would help students get summer vacation jobs in government—local, state and national.

"And they should get academic credit for some of their work in practical politics," he said.

Because of his long association with the government, Dr. Flemming will hold the rank of professor of political science. He will teach an advanced class.

The political science professorship will provide a means, college officials pointed out, for the new president to implement some of his ideas about government service as a career.

In his letter of resignation from the civil service commission, Dr. Flemming told the president that the government is making substantial progress in providing the nation with an effective career service. But, he said, much remains to be done.

Urges Higher Pay

He proposed a promotion program to insure "an adequate recognition of merit without perpetuating mediocrity," and salary ceilings higher than the present $10,000 a year.

To Ohio Wesleyan officials, Dr. Flemming has said that colleges and universities have the responsibility of training youth for gov-

BIDS ARE OPENED ON GRAVE REMOVAL

Ohio Concern Low on Work in Delaware Dam Area.

The firm of W. P. Kanuckel & Son of Nellie, O., submitted the lowest of nine bids for a contract to relocate graves in the Delaware dam reservoir area, the Huntington District Corps of Engineers at Huntington, W. Va., announced today, an Associated Press dispatch reports. The low offer was $89,087.10. Awarding of the contract is subject to approval of the Ohio River Division of Engineers at Cincinnati, the dispatch states.

The job calls for removal of more than 1,500 graves in the Marlboro, Mayfield and Wyatt cemeteries. According to plans graves in the Marlboro and Mayfield cemeteries will be removed to other sites and those in the Wyatt burial ground will be removed to another part of the cemetery, A. A. Johnson, resident engineer of the Delaware dam area said today.

The cemeteries are to become a part of the Delaware dam flood control project on the Olentangy river. According to plans the work will get under way in the near future.

FUEL GAS INCREASE GETS FEDERAL OK

Company's Capacity for Marion Market To Be Expanded.

By The Associated Press

WASHINGTON, June 4—The Ohio Fuel Gas company held the authority today to increase its natural gas transmission capacity for the Marion and Lima, O., markets.

Authority was granted yesterday by the Federal Power commission, which estimated cost at $2,986,250. Ohio Fuel Gas, however, said the actual cost might be cut by salvage of replaced pipeline.

The expansion would be financed by sale of securities to Columbia Gas and Electric Corp.,

TRUMAN MAKES BRIEF SPEECH IN TRAIN STOP AT CRESTLINE

LEWIS MUST BARGAIN, SAYS GOLDSBOROUGH

Orders Mine Chief To Meet With Southern Association Representative.

By The Associated Press

WASHINGTON, June 4—Federal Judge T. Alan Goldsborough today ordered John L. Lewis to bargain with the Southern Coal Producers association, headed by Joseph E. Moody.

Goldsborough granted a court order asked by attorneys representing Robert N. Denham, general counsel of the national labor relations board.

The judge said it was apparent from the record Lewis did not want to bargain with the Southern association because he wanted to "destroy" it.

He suggested the United Mine Workers chief might desire to bring about the destruction of the Southern association "because it is harder to deal with" a single unit than with representatives of the 14 smaller associations through the south which make up the association.

"Certainly it's unreasonable in this present case for the union to say 'we're entitled to one representative for 99 units and the Southern Producers association is not entitled to one representative for 14 associations,'" he continued.

"This is not only not logical, but it is not reasonable," the judge said.

New contract talks between coal operators and Lewis broke down May 18 when Lewis refused to consent to Moody sitting at the conference table as the association's representative.

Goldsborough said:

"x x x But when the time comes that any movement—whether labor or not—undertakes to carry out its wishes by methods which ultimately disintegrate society—at that point it must stop."

The soft coal contract expires June 30, allowing less than a month for the operators and Lewis to make a new agreement.

More than one third of the nation's soft coal is produced by the groups making up the southern association.

The coal operators were standing by, ready to resume contract talks.

One of Two Things

Lewis now has his choice of including the Southern association in the bargaining talks or facing another fine for contempt of court.

Goldsborough is the judge who twice already has fined Lewis and the UMW a total of $2,130,000 for contempt of court. Previous contempt charges arose when Lewis and his union ignored court orders requiring them to end coal strikes.

Winding up a lengthy statement giving his decision today, Goldsborough said:

"I will sign the order requested by the national labor relations board."

The judge will sign the order formally later today.

This action makes two Goldsborough injunctions hanging over Lewis. The other is an order prohibiting the union from striking in a dispute over miners' pensions. This dispute has been settled, at least to the satisfaction of the justice department, but Goldsborough has refused so far to lift the order.

Aim for Significance Rather Than Success, 282 Seniors Told

By FRANCES HAAS

"Make your lives mean greatness for the oncoming generations, for in your life is the vast hope of human history, the future generations of human life," Dr. Bernard C. Clausen of Cleveland told the 282 members of the 1948 graduating class of Harding High school at the seventy-sixth annual commencement exercises held last night in the Chautauqua pavilion in Garfield park. A capacity audience of parents, friends and relatives of the seniors filled the auditorium for the program.

Dr. Clausen, pastor of the Euclid Avenue Baptist church in Cleveland, spoke on the subject "Intelligent Failure."

Dr. Clausen told the seniors they must get in reach of human greatness, and they must get near enough to get the secret of distinction. Citing a contemporary citizen of Ohio, Charles A. Kettering, general research councilor for General Motors, Dr. Clausen said Kettering maintained that inventors can be produced but you must begin by making sure they are unashamed of failure. He stated that people must take an honest pride in failure which they will successfully record so someone else will take their failure and build success out of it.

Inventive Genius Lost

"Your generation is doomed in the field of mechanical and inventive geniuses," Dr. Clausen warned the seniors, "but you can push far forward in the field of ethical responsibility and spiritual integrity."

"You must choose to be intelligent failures," Dr. Clausen said. "Your generation is faced with a choice to be successful or significant. If you choose to be successful, you will be so unimportant you will be of no use to the world, but if you choose to be significant, your plans will be so vast that they will never come true in a lifetime."

Dr. Clausen admonished the seniors that their lives are about to be judged not on the basis of things which they try to do and in which no one expects them to succeed, but on the things which they attempt with no hope to succeed.

Dr. Clausen asked the seniors, "Can you join your lives to the eternal purpose of God, spurning common trifles, and build your lives into God's own purpose?" He said people in past generations chose to fail, but they failed so we could have a chance at life.

The processional, "Pomp and Circumstance," Elgar, played by the Harding orchestra under the direction of Homer Huffman, was followed by the National Anthem by the audience and the invocation by Rev. J. B. Holloway, pastor of Trinity Baptist church.

Special numbers by the orchestra were "Angelus" from "Scenes Picturesque," Massenet, and "Dance of the Hours" from "La Gioconda," Ponchielli. The a cappella choir, directed by L. G. Jones, sang "All the Things You Are," Kern-Ringwald, "Comin' Through the Rye," arranged by Simeone, and "My God and I," Sergel, with incidental solos by Betty Weiser, Polly Biggert and Jim Rea. As an encore the choir sang its response, "The Lord Bless You and Keep You."

Diplomas Presented

Supt. Lester L. Dickey introduced the speaker, and Albert C. May, principal, presented the class to E. Paul Bachman, president of the board of education, who presented the diplomas. The singing of the class song, words of which were written by Joyce Snyder, by the seniors, and the benediction by Rev. R. A. Maugans, pastor of Fite Memorial Baptist church, closed the program. The recessional by the orchestra was "March" from "Queen of Sheba," Gounod, after which taps were sounded.

Included in this year's class were 25 veterans who qualified for their diplomas by passing a general education development test.

The platform of the auditorium was decorated with bouquets of peonies, various spring flowers and palms. Each senior was presented a red rose, the class flower.

The senior dance at the Marion Country club followed the commencement, closing the graduating activities this year.

3 DROWN IN SCIOTO PLUNGE

Car Goes Through Guard Rail as Columbus Students Return from Prom.

By The Associated Press

COLUMBUS, O., June 4—Three West High school students, enroute to a breakfast after their senior prom, drowned when their automobile plunged through a guard rail and into the Scioto river at 5:40 a. m. today.

Three other young persons in the car escaped.

The dead, all 17-year-old seniors were:

Rose (Billie) Lombard, daughter of Lieut Ralph F. Lombard of the fire department and Mrs. Lombard.

Gordon Welker, son of Mrs. Earl F. Welker.

Susan Elleman, daughter of Mr. and Mrs. W. H. Elleman.

The accident occurred on state route 257, three miles north of the Columbus zoo.

James Rose, 18, another senior who was driving the car, suffered minor cuts. The state highway patrol said he apparently lost control of the auto.

The other survivors were James Elleman, 20, a freshman at Ohio State university and a brother of the dead girl, who suffered leg cuts, and Miss Keitha Thompson, 18, his fiance. She was not hurt.

Elleman said the party attended the prom at West High school last night, went home and changed clothes and was headed toward Delaware, where the breakfast was planned.

Highway Patrolman D. F. Roof said the car apparently was traveling at a high rate of speed when it hit the shoulder of the road and began skidding. It apparently skidded on the shoulder 207 feet, then tore down 93 feet of guardrail and ripped out 11 rail posts.

The automobile was recovered at 8 a. m. It was submerged.

The bodies of Miss Lombard and Welker were in the car. Their heads were out of the rear window and the position of the bodies indicated Welker had tried vainly to pull the girl out of the car with him.

Miss Elleman's body was thrown clear of the car in the crash and was recovered after police dragged the river.

The six were part of a group of 21 students enroute to the breakfast party.

Ironically, Irwin F. Young, principal of the school, had cautioned students at a school banquet last night to be careful. As the program ended he said:

"Let me repeat a plea you have heard at the close of other graduation activities this year. Be careful. Get home safely."

Postal Inspector Takes Over Stolen Check Case

Charles J. Mullet of 407 West Center street, arrested Wednesday by Patrolman Tatham with the assistance of two Marion boys, is still lodged in city prison. His case has been turned over to R. C. Alexander, potal inspector. Mullet was arrested in connection with the theft and forgery of a government check made out to Charles O. Brady.

The boys, William Phelps, 10, of 212 Patten street and Lee Mathers, 10, of 254 Patten street, instrumental in the apprehension of Mullet, told police they were wheedled into indorsing the stolen check. The boys assisted Patrolman Tatham by identifying Mullet.

A GIFT TO ISRAEL. Mrs. Lorna Wingate, widow of Britain's famed Burma fighter, General Orde Wingate, is giving her 4-year-old son, Orde Jonathan, to the new Jewish state, according to a Tel Aviv report. She is quoted: "Israel is at war. If I had gold and money, I would contribute them for the war which my husband foresaw. Not having them, I decided to send you my son. I am sending him to be educated in Israel and to be a loyal son of both Israel and Britain." (International Photo)

STUDIES TRUCE AIMS IN WAR

Count Bernadotte Clarifying Arab and Jewish Views on Cease Fire Proposal.

By The Associated Press

CAIRO, June 4—Count Folke Bernadotte said today he hopes to clarify within a day or two conflicting Arab and Jewish interpretations of the four-week truce in Palestine ordered by the United Nations. The time of the cease-fire can be fixed only when the conflicts are worked out.

A Trans-Jordan foreign office source said the Arabs already accepted a date for a cease fire.

While the UN's mediator labored for peace, the war went on. Jews and Arabs reported heavy fighting on the Arab triangle of northern Palestine and on the southern coastal route to Tel Aviv, where the Jews and Egyptians were engaged.

An Arab general headquarters source in Amman, Trans-Jordan, acknowledged that a Jewish armored column speared into Jenin. The informant declared Iraqi troops counterattacked and drove the Jews out.

The Jews said the Jenin drive placed the Israelis in a position to threaten Nablus, the southern point of the triangle menacing Tel Aviv from the east. The western point of the triangle is at Tulkarm, just outside Israel's frontier, 22 miles northeast of

APPEARS ON PLATFORM TO GREET CROWD

Pays Compliment to Lausche; Marion Democratic Leaders Are Present.

By WILLIAM D. STANBRO
Marion Star Staff Writer

CRESTLINE, June 4—President Truman, starting his cross country tour today stopped 10 minutes here and in a brief rear platform talk said: "It gives me great pleasure to appear upon this platform; how helpful it is to get away from the White House and see people as they really are."

An estimated crowd of 2,000 persons assembled in hope of seeing and possibly hearing the President and were not disappointed, although there had been statements indicating that he might remain in his car. He was met here by former Governor Frank J. Lausche, Democratic nominee for governor, and a number of state and party leaders including Dr. C. J. Altmaier of Marion, Eighth district committeeman.

The President, wearing a medium blue suit and hatless, appeared on the observation platform of the 16-car diesel-drawn Presidential special, which was halted here to service the train. Because of the length of the train the President's car stopped pretty well down in the Pennsylvania railroad yards and the crowd surged down the tracks to get a glimpse of him.

Others on Hand

Among those on hand to greet the President were Mr. Horstman of Springfield, Mr. Moulton, Francis W. Durbin, Lima attorney and state Democratic leader, Constance Keller, judge of the Crawford county probate court, Fred Klein, Crawford county auditor, Mrs. Mae Kloepfer, Crawford county treasurer and Mayor A. P. Sonner of Crestline.

The enthusiastic crowd was kept in tow by Sheriff Ralph Schreck of Crawford county, the state patrol and Crestline patrolmen, and on hand also was the President's secret service staff.

The head coaches were given over to the press staff, while in the center of the train were the dining cars set for luncheon with vases of roses on the tables. The President's coach, bearing the presidential seal was the last car on the train.

The presidential train previously had stopped at Pittsburgh in the early morning where he was greeted by Mayor David Lawrence, John Kane, Allegheny Democratic county chairman, and County Legion Commander William Forsythe. The stop at Pittsburgh was at 6:50 a. m. and the train departed 12 minutes later. The next stop was scheduled at Fort Wayne, Ind., around 1 p. m.

Mr. Truman told the crowd, "I am grateful to have Frank Lausche here, and I understand he will be the next governor of Ohio."

"It is a great pleasure to be in Ohio," he said. "It is intriguing and helpful, to get away from the White House and see people as

Tour Called Major Test Of Truman's Popularity

By The Associated Press

ABOARD TRUMAN TRAIN ENROUTE TO CHICAGO, June 4 — An outwardly confident President Truman rode westward today for a major test of his popularity on an 18-state "grass roots" speaking tour.

He told correspondents as he boarded the 16-car special train at Washington last night that "If I felt better, I couldn't stand it."

Mr. Truman had no parting message for newsmen.

"You will get plenty of messages as we go along," he said.

The White House tagged the journey as "non-political" but no one questioned its possible effect on the political future of the gray-haired Missourian.

His first major, prepared address tonight at Chicago, at 9 o'clock (EST) shared interest with his prospective meeting there with Jacob M. Arvey, chairman of the powerful Cook county Democratic central committee, and his earlier platform appearances at Fort Wayne and Gary, Ind.

Arvey, who has advocated Mr. Truman's withdrawal from the race, will join the Chief Executive at dinner in the Palmer House. So will former Mayor Edward J. Kelly. The host is Mayor Martin Kennelly.

The off-the-cuff platform talks, at Fort Wayne, at 1:20 p. m. (EST) and at Gary at 3:45 p. m. (EST) will give the first indication of the President's hold on the voters on his pre-convention tour which will carry him to Los Angeles June 14.

There will be many other such extemporaneous talks from his train before he returns to Washington.

Although there was no representative of the Democratic national committee abroad Mr. Truman's train, Senator J. Howard McGrath, the Democratic chairman, saw him at the White House last night and drove with him to Washington's Union Station to see him off.

Y's Men Give $1,000 For Basketball Courts

At the monthly business meeting held at the Varsity Room in the YMCA, the Y's Men's Service club voted to give $1,000 to build two outdoor basketball courts in Marion.

These courts are to have a blacktop surface 70 feet long by 40 feet wide and are to be built just as soon as proper arrangements can be made. One court is to be located at the Vernon Heights Junior High school and the other is at Edison Junior High. They will be open all year round and will be available to all Marion boys and girls.

Prior to passing of the motion, Kenneth Somerlot, Harding High school basketball and track coach, gave his committee's report on its investigation of the feasibility of building such courts. He strongly recommended their construction and said that they would answer a definite need in the health and athletic program for Marion youngsters.

Carl Keller, representing the Booster club, said that his group also felt that such facilities were needed throughout the city and mentioned that the large outdoor court which his club is building at the Harding High athletic field is nearing completion.

During the meeting William Collins, classified advertising manager of The Star was welcomed as a new member. President Myers announced that James Buli would head the concession committee for the approaching race meet and that Harold Henry would act as his co-chairman.

BOARD APPROVES HIGHWAY PROJECT

County To Spend $35,500 on Keener Pike Improvement.

County commissioners yesterday authorized expenditure of $35,500 as the county share in a state highway program improvement project on the Keener Pike, (CRV100) west of Marion.

The work which will involve approximately two and three quarters miles between the Campbell road and state route 203 will be done by the state highway department under the federal aid secondary road system.

Marion county, under the contract with the state will furnish necessary right of way, plans and specifications and engineering services. The road will be a 14-foot black top surface on a 30 foot right of way.

Commissoners Approve Ditch Cleaning Plea

Ruling that benefits to be derived were reasonably certain to be greater than the costs of the project, the Marion county commissioners yesterday at final hearing approved cleaning out and repairing of the Sweeney-Goosepond single county ditch.

Petition had been filed by Ward Walton of Upper Sandusky, seeking cleaning of the ditch which runs through Salt Rock township. Amendments increasing the length of the section to be repaired were subsequently filed by Walton, Rudolph Risch and Dean Hinaman. Improvement involved approximately four miles.

Commissioners set June 1, 1949, as the date for maps, profiles and preparatory field work reports to be filed in the office of the county engineer. Serving on the board of commissioners for the final hearing were Carl Lehner, Luther Mitchell and O. C. McCurdy, the latter serving by appointment in the place of William Risch whose property is served by the ditch.

Store in Galion Damaged by Blaze

GALION, June 4—A fire of undetermined origin today caused damage estimated at several thousand dollars to the Better Homes wallpaper and paint store on South Market street.

Lee Johnston, owner of the store, discovered the blaze in a cement block storage building at the rear of the store at 11:15 a. m. today. Galion firemen fought the fire for over an hour. Surrounding buildings and the Johnston apartment upstairs over the store were filled with smoke. Smoke also damaged the front of the store which was newly decorated. Johnston said the damage was covered by insurance.

2 RESIGN POSTS IN GALION SCHOOLS

Special to The Star

GALION, June 4—The Galion board of education at a meeting Thursday night accepted the resignations of two teachers, employed two playground supervisors for the summer, and discussed the results of a recent election on a site for a new North elementary school.

Citizens in the North school district voted Wednesday on their preference of a site for a new North school. More than 75 per cent voted to keep the present site, rather than build it at Heise park, the board's selection. No action was taken by the board.

The resignations of Richard Auker, teacher of problems of democracy in the high school, and Mrs. Louise Kennedy, junior high school home economics teacher, were accepted. Mr. Auker plans to go into a local industry, and Mrs. Kennedy is moving with her family to Arizona.

Employed as supervisors for the summer for the playground to be located at Heise park were Miss Barbara Shaffer and Raymond Malone, students at Ohio State university. No date has been set for the opening of the playground.

The board approved teacher committee recommendations for text books, passed a resolution to advertise for a depository for the proceeds from a recent bond sale and discussed teacher assignments. Permission was granted to the American Legion junior and senior baseball teams for use of Heise park. At the next board meeting, June 21, bids will be received for repair work to buildings.

PLAN RENTAL INQUIRY

By The Associated Press

CLEVELAND, June 4 — Questionnaires will be sent early next week to 7,000 landlords in Cuyahoga and Lake counties as the Cleveland area rent advisory board seeks information to decide whether to recommend a general increase in rent ceilings. Karl M. Duldner, area rent director, said the landlords would be selected by having clerks take every 25th card in the registrations of rental units.

Help for Hay Fever Victims

The hay-fever victim who wants to ward off next Fall's sneezes and sniffles must start now.

Hay-fever is due to sensitivity to the pollen from some weed, grass, or tree, usually ragweed, which is rife in most localities during the late summer and early fall. If hay-fever sufferers start in time there is a good chance that they can build up an increased tolerance for this pollen during the time when they are free of symptoms so as to be able to meet it on more nearly equal terms when it appears in the air next September.

This is done by injections of gradually increasing doses of pollen extract. The treatment is most successful when it is carried out the year around for several years, but it can still be very helpful if started several months in advance of the hay-fever season.

It has been estimated that about 8 out of 10 of the patients properly treated by injection of the pollen extract will have from 75 per cent to 80 per cent relief from hay-fever, and about one-fourth of the patients will be relieved completely.

The earlier in life the treatment is started and the more faithfully it is continued for several years, the better are the chances that permanent immunity will be developed.

The injections are usually given at intervals of from four to seven days. During the hay-fever season, the injections may be given every week or two. Care in regulating the dosage, of course, is necessary in giving the injections, since reactions may occur if the dose is too large.

During the hay-fever season, the afflicted person should do everything possible to avoid contact with pollen. This is easily accomplished by a change to a different climate but, unfortunately, few people can afford this. For those who must stay at home there are filters which can be put into the windows to remove pollen from the air coming into the room. By remaining in such a room as much as possible during the ragweed season, symptoms can, to a great extent, be relieved.

Then, too, certain drugs can be used for the same purpose. These include epinephrine, ephedrine, and the newer drugs, known as benadryl and pyribenzamine. Of course, these substances should be used only under the direction of the physician.

ernment service. They have not, he said, been living up to that responsibility.

In Washington, President Truman accepted "with deep regret" Dr. Flemming's resignation from the commission.

Wesleyan faculty members can count on close contact with their new boss. When he became a civil service commissioner he instituted a series of staff conferences that still are going on.

Known as a capable public speaker, he gives part of the credit to Wesleyan because although a native of Kingston, N. Y., he enrolled here after he heard of the emphasis the school placed on public speaking and debate.

He traveled over the country as a member of the debating teams, served as college correspondent for the Delaware Gazette, worked on the college newspaper and was named permanent president of his class at the end of his senior year.

Recently, he completed a term as president of the board of directors for the Washington Federation of Churches—the second layman to hold the job.

Dr. Flemming was elected officially to the presidency of the university at a meeting of the board of trustees last night. Harvey O. Yoder of Cleveland, president of the board, made the announcement following a week-old report that Dr. Flemming would be named to the post.

Dr. Flemming is chairman of the department of church and economic life of the Federal Council of the Churches of Christ in America.

He received the B.A. degree from Ohio Wesleyan in 1927 and he has the M.A. from American university and the LL.B. from George Washington university. He was awarded honorary degrees of Doctor of Laws by Ohio Wesleyan and by American university.

He has been a newspaper writer; editor of Uncle Sam's Diary; a member of the editorial staff of the United States Daily (now United States News); instructor in government at American university; director of the School of Public Affairs there; and executive officer of that university.

For six years he has been an alumni trustee of Ohio Wesleyan, and he also is a trustee of Temple university and of the Theodore Roosevelt Memorial association. He is a member of Alpha Sigma Phi social fraternity.

Safety Is Common Sense

SCHOOL is out. The danger season for children is here. They will be exposed to more than the usual hazards for the next three months.

There is no substitute for common sense in the search for safety. Children must learn where the greatest hazards are now and how to avoid them by experience. Common sense in most children is something that must be acquired, they do not know what an automobile can do to them if they run in front of it until they have been taught that danger exists.

That's why the real responsibility always must rest on the adults who drive automobiles. They know the danger. They know they can't depend on children to leave an adequate margin for safety. It is up to automobile drivers to leave enough margin of safety to take care of both their own errors and the errors of children.

As for children who drive automobiles, on the assumption that an adolescent has mature judgment and therefore should be given the same latitude as a mature person, there apparently is nothing that can be done about them. The law finally will recognize that safety is an acquired attitude, not something that comes automatically when a person has reached a certain age. Until that time comes, children given responsibility for handling cars will be a menace both to themselves and everybody else on the highway.

Who Pays the Bill?

AS MILLIONS of newspaper readers and radio listeners know, more than 3,000 persons picketed the White House this week.

Their placards, which had been neatly lettered in advance, made it appear they were protesting against the Mundt-Nixon bill and congressional failure to adopt new legislation on civil rights. But no one believes that many Americans happened to come to Washington (most of them were from New York) of their own free will. Someone sent them. Someone paid their train fare to and from the capital, ordered the placards, told them what to do and planned the whole thing. Who?

Newspaper readers and radio listeners, having heard this much of the story, would like to know the rest. Because the real story is the part that hasn't been told. What ax was being sharpened by this latest travesty of free speech and assembly? How much did this performance cost the people who stop at no expense to make it look as if the United States were on the brink of domestic chaos? When is the next performance scheduled and who will pick up the check for that one?

The Spreading Web

AIR FORCE Gen. Vandenberg's request to congress to allocate $90,000,000 for a West Point of the Air is another instance that tries the good faith of those who favor unification of the services. It seems triplification actually is what is being effected.

In the days when there was only, an Army and Navy, each service had its opposite number in the other. With the Air Force raised to equal status the web is spreading rather than contracting.

In the supply branches, real progress is being made in standardization of equipment and contract procedures. But on the highest levels, where policy is evolved and missions assigned, inter-service feuds, which were supposed to have been settled at the Key West conference, are breaking out anew.

Gen. Vandenberg told a house armed services committee the joint chiefs of staff never approved a super-aircraft carrier from which the Navy could launch strategic bombers. Admiral Denfeld several weeks ago told the same group the joint chiefs had approved it.

The subcommittee sided with the Navy and decided to approve the carrier, which will cost more than $125,000,000. But this contradictory testimony is another evidence that merger isn't being achieved and isn't likely to be until the top brass realizes it's all playing on the same team.

Europe To Keep Its Scrap

IT APPEARS that most of the 10,000,000 tons of war scrap in Europe will stay there, even though it's vitally needed by American mills.

Army and state departments favor leaving the scrap to be allocated for reviving steel industries in Marshall plan nations. Their stand at present overrides the commerce department claim that large shipments can be made to the United States, with plenty left for European needs.

American mills are consuming scrap at the rate of 32,000,000 tons a year, yet on March 31 inventories totaled only 2,700,000 tons. Eventual use of taconite ore will reduce the need of scrap, but that's several years in the future.

It's ironic that Europe, a land of scarcity, has 10,000,000 tons of scrap while the United States, a land of plenty by comparison, should be short especially since most of Europe's oversupply is the product of American mills.

Scanning the Record

By George E. Sokolsky

Displaced Persons Sign of Imperfect World.

NOW that Israel has been organized as a state, already recognized by the United States, and soon by the principal countries and by the United Nations, the problem of finding permanent homes for the remaining 900,000 displaced persons ought to solve itself. Certainly the Jewish refugees—at any rate, most of them—ought to be willing to go to Israel, the younger ones to fight for it; the too old and too young to add to its population. Although most refugees are not Jews, the existence of Israel ought to solve that phase of the problem and will end the myth that all refugees are Jews.

SOKOLSKY

The British, who are obviously overpopulated, report they have already admitted 325,000 displaced persons into their country and that they are continuing to admit them apparently at hte rate of 40,000 a year. Belgium has taken 17,000 since July 1, 1947. If other countries did as well, the problem could be solved more speedily.

Displaced persons originate in Central Europe, Poland, the Baltic countries, Yugoslavia and the Ukraine. Most of them cannot return to their native lands because of their record of opposition to Communism. Refugees from communism are in as great a peril as those who fled Nazism.

It is a bit difficult to understand why an overpopulated country like Great Britain is able and willing to do so much, while an underpopulated country, as for instance, Canada, does so little. Of course, there are always local questions and prejudices that intervene, but viewed humanely, the British are doing more than might have been expected of them.

Vital Element

They seem to have set up a process for swift assimilation, which is, of course, always the question when migration is of the horde rather than of the individual character. That is, when peoples migrate in a horde they retain the language, customs and habits of their nativity and their ancestry. They become a separate group in the new country—a "minority" as we have come erroneously to call them in this country. They tend to live together apart from their hosts. They cultivate a nostalgic loyalty to conditions from which they had actually fled, and rear their children in a divided loyalty, which usually confuses their lives. In time, they even become a menace to the nation that welcomed them, because they bring into its life extraneous social factors that inevitably increase irritation and disturbance.

The British have, apparently, met this problem head on, by mixing the migrants without regard to origin, by employing them not in groups but as individuals. This employment is so organized that the English language becomes the common tongue among them as it is the language of their environment. In fact, it is so arranged that they speak only in English and even before employment they are taught the speech of their new country.

Personal Experience

Such a process is invaluable. I recall my own childhood, which was spent largely among non-English speaking adults. Many of them never learned to speak, read or write English. Many of them remained not only steeped in the habits and traditions of their past, but were oblivious of the habits and traditions of their new world. Yet, in time, they became citizens and voted and played a role in politics. Yet, some of them always remained alien to American life.

The fault lay with America, which, having opened its gates wide to migrants from some 50 nations, created no mechanism for acquainting them with the new country. True, the children of these immigrants were sent to our public schools and they soon enough were brought under the influence of the American way of life. But it has been an unnecessarily long process and, in social values, very costly.

The 900,000 displaced persons now awaiting homes outside the continent of Europe ought to be moved more quickly than has been possible in the past. The day ought to come when that ugly phrase, "displaced person," is wiped out of our minds. For how can, in justice, any human being be displaced or displaceable? The very existence of the term and fact is evidence that liberty does not exist for all in this world.

Job Outlook for Graduates

Some Fields Overcrowded, Bureau Reports.

THE job outlook for college graduates this year is promising, the Bureau of Labor Statistics reports, although graduates may not find just the sort of employment they are looking for.

Studies compiled by the bureau during the last two years on more than 200 trades and professions, and more or less applicable today—though some have slightly changed, give these general details for various fields:

Medical—Very good opportunities for doctors, dentists, nurses, and laboratory and X-ray technicians.

Law—Somewhat overcrowded and likely to become more so in the next few years.

Airlines—Many more would-be pilots than there are jobs.

Chemistry — Good prospects now for chemists and chemical engineers, but increasingly keen competition.

Civil engineering—Good prospects for two or three years, but those starting training now will find the field crowded before they are graduated. Draftsmen are running into "very keen competition" because so many were trained during the war.

Education—Teachers are badly needed in college, high schools and elementary schools.

Radio manufacturing — Unfavorable prospects for technicians; servicing branch generally crowded.

Industrial designing — Some openings for well trained beginners.

Accounting—Good employment opportunities for those who can qualify for C.P.A. license, but keen competition for the inexperienced.

Architecture — Good prospects for the next few years.

Personnel managers — Already too many.

Social workers—Excellent immediate opportunities in all types of positions.

Morticians—A few opportunities, but many seeking jobs.

Newspapers—Somewhat overcrowded at present; opportunities will probably continue to be limited.

Meanwhile the United States Office of Education announced that "well over 200,000" will be graduated this month.

Just a Minute

What They Need Is Convention Insurance

The government has agreed to pay a Philadelphia hotel $3,000 for damages incurred while it was taken over by Spars during the war.

Only $3,000? Why one sailor can do that much damage to a single room in a short weekend.

Is it possible that, Babe Didrikson notwithstanding, women are really the weaker sex after all?

One finds it difficult to understand the Philadelphia hostelry's attitude about the Spars' damage. They are going to have to redecorate after the coming political conventions anyway.

The handwriting on the wall doesn't comfort the Democratic party. But it really harasses finicky inn-keepers.

As for Republicans, they've got no right to complain of high convention rates .... not when you consider how long it takes to air those traditional smoke-filled rooms.

Vehicle Census

There were 52,700,000 motor vehicles in operation at the beginning of 1948, according to a 141-nation survey by the American Automobile, a McGraw-Hill International Publication. This was a gain of 7,377,000 during the year.

Four factors were responsible for the increase: Production increased; fewer vehicles were scrapped; large numbers were released from military surplus pools, and the end of the parts scarcity made it possible to put many immobilized vehicles back in operation.

The usual loss of vehicles through wear and tear is 3 and 4 per cent, but that figure didn't hold true last year. Many countries report 40 to 50 per cent of their vehicles are nine or more years old. Thirty-six per cent of Australia's vehicles are more than 16 years old and the Netherlands reports 30 per cent of the vehicles there were made in 1931 or earlier.

Eyes South America

By The Associated Press

MADRAS, India—Sir C. P. Ramaswami Aiyar says "there is tremendous scope for colonization of India nations in South America." In most parts of South America, he says, there is hardly one house to a square mile and the climate there is more or less like India's.

Aiyar had just returned from a lecture tour of North and South America. He visited Brazil, the Argentine, Peru, Panama and Mexico. He suggested the India government take up the question of Indian colonization with South American governments.

Restore Throne Room

MOSCOW—Restoration of one of the most magnificent halls of the Winter Palace in Leningrad—the former Georgievsky throne room which was built after the fire of 1837—has been completed. The newspaper "Dawn of the East" says it has been renamed "The Hall of the Soviet Union" and from May 1 it became the permanent home of the famous 27-meter-square map of the USSR made of precious stones. The map now stands where the imperial throne once stood. The map has also been reconstructed since it was exhibited abroad. Changes have been made in all its 98 sections, each of which consists of 550 parts.

Four hundred and thirty gold encased rubies have been set in the map to designate the administrative centers of the nation. Moscow is noted by a large ruby star set with a golden hammer and sickle.

Some Encouragement, Anyway

Ohio, Hub of the Nation—Best of the 48

Booster Booklet Tells Blessed Buckeyes How Lucky They Are.

The Ohio development and publicity commission, John R. Advent secretary, has prepared a booklet called 'Ohio the Hub of the Nation.' This Ohio-boosting publication is now being circulated throughout the country. Illustrated with numerous photographs of Ohio scenes and industries, it tells the story of the state's advantages as follows:

* * *

OHIO'S population gain since 1940 exceeds 600,000. It has more than 7,500,000 residents. Ohio's manpower is productive, capable and available in big city and small towns alike. More than 200 labor-management groups have set the pace for peaceful relations.

Ohio is first in the nation in production of many products because it has the raw materials, the converting industries and the manufacturing plants that make possible complete follow-through from raw materials to finished products.

Ohio has more than 90 power-generating plants. Strategically located, these plants are capable of producing more than 3,500,000 kilowatts. Third in the nation in total production of electricity, an additional 1,500,000 K. W. capacity is now being installed.

Ohio is rich in fuels, oil, bituminous coal and natural gas. Its coal-bearing area extends over 12,430 square miles. Both Big Inch and Little Inch pipe lines cross the state. Ohio has more than 440 municipal water systems; is well supplied with industrial water from Lake Erie on the north, the Ohio river on the south, the Muskingum water conservancy district and numerous other waterways.

Population Center

Of the nation's total population, 73 per cent is concentrated within the busy 500-mile radius of Ohio. Ohio is served by 11 major railroads, 8 major airlines, innumerable truck lines, seven lake ports, and extensive river shipping aids in movement of bulk materials. Here in Ohio, the Hub of the Nation, raw materials can be assembled, made into finished products, and sent to the largest markets at lowest cost.

Ohio ranks high in production of salt, silica, coal, dolomites, ceramic clays and gypsum. The annual output of Ohio's stone quarries is valued higher than the nation's annual output of silver.

Ohio's farms are highly productive. Twenty-two million acres are devoted to the raising of livestock and production of corn, soybeans, oats, wheat and hay as well as other products for processing and canning. Ohio soil produced an income estimated at $1,100,000,000 in 1947.

Ohio's tax liability is far below the national average. There is no state income tax—personal or corporate; no state real estate tax. Ohio offers a very low employer-cost unemployment compensation. You are assured of a fair valuation of original costs less depreciation. Ohio is operating in the black, is a businesslike state.

Popular With Industry

New industries, including extensive chemical, automotive, and metal working operations, have chosen Ohio as a good state in which to locate.

Manufacturers of diverse products have chosen Ohio for its high intelligence of labor, proximity to major markets, vast, varied raw materials, natural resources, cooperative legislation, and future industrial growth.

Education of its citizens is one of Ohio's greatest assets. The average Ohioan is pre-trained for a job or profession. Ohio has 48 colleges and universities and 38 academies. There are 1,247 public schools, 142 private and parochial schools.

Industry is directly helped by Ohio's 119 vocational and training centers, 309 public and private research institutions.

Ohioans are homemakers. They live comfortably, in an atmosphere of friendly well-being.

Lakes and streams, public parks, good roads and scenic country afford attractive recreational facilities.

Ohio is a good place to live . . .
A good place to work . . .
A good place to prosper . . .
And a good place to consider fully when you plan an expansion or new location.

From News of Other Years

TEN YEARS AGO

It was Saturday, June 4, 1938.

The senate voted six to one for the $3,723,000,000 spending-lending program and handed the Roosevelt administration the pursestrings.

Miss Alice Flickenger became the bride of Joseph Kelleher in a ceremony read by Rev. William J. Spickerman, pastor of St. Mary Catholic church, in the rectory and the wedding of Miss Rosella Fletcher and Richard Johnson took place in Epworth Methodist church with Dr. E. T. Waring reading the ceremony.

Howard Neal was elected president of the Marion County Junior Red Cross chapter at the last meeting of the season held in the Red Cross office in the YMCA.

A daughter was born to Mr. and Mrs. Henry E. Earley of Smith street and a son to Mr. and Mrs. Anthony D. Caprino of Sharp street.

Miss Rachel McAfee, instructor of physical education and social science and Miss Edith Brown, instructor of American history and civics at Harding High school, had gone to Gainsville, Fla., where they were enrolled in summer school at the University of Florida.

Twenty years without an accident was the record of S. S. Hastings of LaRue, who was one of several hundred autoists in the state granted honor awards by the safety department of the Ohio Farm Bureau.

TWENTY YEARS AGO

It was Monday, June 4, 1928.

Two historic airplane flights were under way. The Southern Cross, carrying Capt. C. E. Kingsford-Smith, C. T. P. Ulm, Harry W. Lyons and James Warner, was nearing its goal in a 7,800-mile flight from the U. S. to Australia, but reported running into bad weather about 800 miles from the Fiji Islands. For the first time radio was being used successfully in maintaining contact with the plane. At the same time the trans-Atlantic plane Friendship with Wilmer Stultz, Amelia Earhart and Lou Gordon aboard, arrived at Trepassey Bay, Newfoundland, on the second leg of its flight to Europe.

Mr. and Mrs. E. H. Shade and daughter Dorothy Jean left for Tennessee to spend the summer.

Mr. and Mrs. Henry Drake of North State street went to Wellston, called there by the death of Mrs. Peter Gallagher, Mrs. Drake's mother.

As the first step toward relieving overcrowded conditions in Marion schools, the board of education purchased from W. T. Jones a tract of land in Oakland Heights to be used as the site for a new building. The price was $9,400. On this ground now stands the Edison Junior High school building.

Mr. and Mrs. H. E. Zimmerman of Girard avenue returned from a four weeks' trip to Florida and Cuba. While in Jacksonville Mr. Zimmerman was one of 5,200 delegates attending the Order of Railroad Conductors' convention.

Extra Letters

Rise Stevens, the opera singer, has really done something handsome in taking the z out of her married name, her married name being Mrs. Szurovy. If anyone else would like to follow suit, we have some ideas what letters we would like for them to drop.

Scalp Saving

By TRUMAN TWILL

The sunburn problem of bald men h been solved by the manufacturers special in scented oils for human beings to deep themselves in without burning to a crisp.

Despite the well-known fact those spa vegetated specimens of the race are a pre derant majority of males over the age o nothing adequate is provided for their pro tion during the frying season.

They can not anoint their heads with resisting oils lest what little hair they have become matted and invisible. But neither they expose their tender scalps to giant of actinic rays without suffering extreme

The problem has gone unsolved for years and explains those uproarious snap of men cavorting on bathing beaches attire nothing but a pair of trunks and a straw and of the two the hat is more important.

It explains the summertime comedy s of a male wearing a knotted handkerchief his cranial knob. The alternative would raise blisters all over the thing, with the tainty that the peeling would take with it of the remaining hair.

The scalp never was intended for expo to the elements, neither snow, nor rain, sleet, nor bright sunshine. It was intended be shaded by a thatch of hair which, prankish mood, nature removed, leaving naked victim to figure out what can be about it.

It was intended to be shaded and prot through all the days of a man's life, being composition not adapted to exposure to thing stronger than an occasional treatme soap and water.

This is the problem that has not been sol but should be. The solution lies ready to awaiting one of those bold moves of free e prise to bestow it on a waiting market.

It is a flexible and ventilated skull cap ing on its external surface a facsimile o wearer's scalp and hair. For completely men the effect would be that of a deeply ta scalp, bearing no hair whatever. For bald men there would be wisps of hair, gestive of withered vegetation on a pa field.

Underneath this scenery, which could detected except at close range, would be wearer's real scalp—with whatever hair clung to it. The flexible cap would be only on outdoor occasions. It would be a terfuge, but a mighty comforting one male who didn't enjoy frying his head i summer sunshine, yet hated to make h conspicuous by wearing a hat.

PLANS have been completed for the wedding of Miss Lavina Strine of near Marion and Rev. John Paul Sutherland of 440 Mark street for Sunday at 3 p. m. in Calvary Evangelical United Brethren church. Rev. R. L. Sutherland of Greenwood Evangelical United Brethren church here, father of the prospective bridegroom, will perform the ceremony. Parents of the bridegelect are Mr. and Mrs. Perry Strine of the Kilbury road. This week, the young minister was graduated from Asbury college at Wilmore, Ky. He and his bride-to-be have announced that the custom of open church will be observed for their wedding.

MRS. FRANK HALLER of New Albany, Ind., and Mrs. William Isaly were guests at a meeting of the Elks Women's club yesterday at Hotel Harding. Luncheon was followed by an afternoon of cards. Mrs. Clifford Hazen received the award in auction, Mrs. Hattie Gempf contract and Mrs. Ruth Raines of Delaware, euchre. A special award was won by Mrs. Fay Croushore. The club will meet once a month during the summer. The next meeting will be July 7 at Hotel Harding.

When the Family Life Study club met in the home of Mrs. Zell Bruce of Henry street Tuesday evening, Mrs. Vivian Iden was welcomed as a new member. Devotions were by Mrs. Wilma Kightlinger, and Mrs. Melvin Keeran presented the topic, "The Fate We Make." The next meeting will be held in the home of Mrs. Allen Baker on the Waldo-Fulton road.

Miss Ava Strine of Waldo, a bride-elect of this month, was complimented with a miscellaneous shower Tuesday evening when Miss Verance Beringer, formerly of Waldo, and Miss Dorothy Ellis of Columbus entertained. The honored guest found her gifts through notes inserted in a large group of colorful balloons. Miss Strine will become the bride of Robert B. Hightshoe June 13 in a ceremony to be read at St. Paul's Lutheran church in Waldo. Closed church will be observed.

Miss Alice George of Columbus, a bride-elect of next Sunday, was complimented with a miscellaneous shower Wednesday night when Mrs. John Ludwig entertained a group of her friends at the home of Mrs. Don Preuninger on Blaine avenue. She will become the bride of Emerson Roush of Lancaster in an open church ceremony at 3:30 o'clock in the afternoon in the West Park Methodist church in Columbus, of which her father, Rev. W. M. George is pastor. Rev. George, a former pastor at Wesley Methodist church, Mrs. George and their family formerly lived here.

Contests entertained the shower guests, awards going to Mrs. John Goyer, Miss Jessie McAfee, Mrs. Everett Snyder, Mrs. W. M. George and Mrs. Evan Gibson. Other guests included Mrs. Miles Hull, Mrs. Robert Evans, Mrs. Willard Ginder, Mrs. Aubrey Thompson and Miss Margaret McAfee.

Mrs. B. F. Portman of Lisbon entertained with a personal shower Saturday evening at the A. E. Haberman home near Green Camp as a pre-nuptial courtesy to Miss Marjorie Kibler of Elyria, whose marriage to Robert M. Calhoun will take place at Sulphur Springs, June 26. Miss Kibler, who is county home demonstration agent in Lorain county and the hostess were college roommates. Mr. Calhoun is soil conservationist at Norwalk.

The guests, invited for a 7 o'clock dinner, were seated at a table decorated in Miss Kibler's colors of blue and yellow and lighted tapers. The honor guest rang a wedding bell to find her hidden shower gifts. Guests included Miss Kibler, Miss Elizabeth Haberman of Marion, Miss Mary Shoemaker, Mrs. F. C. Kibler, Mrs. John Sullivan and Mrs. Allie Pfouts of Bucyrus and Miss Enid Bunting of Elyria.

Couple Exchange Marriage Vows In Church Here

MISS PATRICIA JEAN YOUNGBLOOD and Richard Drollinger repeated the double ring service for their wedding Sunday afternoon in Epworth Methodist church. Preceding the open church ceremony, read at 4:30 o'clock by Dr. V. E. Buxler, pastor, there was a program of wedding music by Miss Maye Evangeline Lawrence, organist and Miss Barbara McDonald, soloist. The bride is the daughter of Mr. and Mrs. J. R. Youngblood of 283 Thew avenue and the bridegroom's parents are Mr. and Mrs. P. C. Drollinger of 231 Ellis place.

Given in marriage by her father, the bride wore a gown of white satin and marquisette. The basque bodice was of satin fashioned with a modified keyhole neckline trimmed in seed pearls and bugle beads and the long fitted sleeves ended in points at the wrist. Her full marquisette skirt extended into a long train and her veil of bridal illusion was held with orange blossoms. She carried a bouquet of white rosebuds and wore the bridegroom's gift, a gold and pearl lavalier.

The bride's sister, Miss Sally Youngblood was her maid of honor and bridesmaids were Miss Jeanette Stewart, Miss Patricia Zahn, Miss Phyllis Yazel and Miss Lois Duntap. The maid of honor wore a gown of pale blue chiffon and her shoulder-length blue illusion veil was caught with a halo of flowers. Her arm bouquet held yellow rosebuds with matching satin streamers. Miss Stewart and Miss Zahn wore blue gowns and Miss Yazel and Miss Dunlap were in dresses of yellow faille. The basque bodices were fashioned with dropped shoulders and the skirts were full. Flowers and matching veiling were combined with satin streamers to form their headdress and their arm bouquets held yellow and blue daisies with matching streamers.

Karen Beth Gatrell of Upper Sandusky, cousin of the bride was the flower girl. She wore a frock of cotton mesh lace made with a square neckline, puffed sleeves and Tyrolean bodice with satin lacing, and the full skirt was of tiered ruffles. Her fingertip veil of white illusion was trimmed with orange blossoms and she carried a white flower basket filled with sweet peas. Craig Cluff, cousin of the bridegroom, wore a tuxedo suit and carried the rings on a white satin pillow trimmed with bows and streamers.

Paul Dasher served as best man for Mr. Drollinger and ushers were Robert Blake and Charles Miller of Marion. Kenneth Kunkler of Columbus and Jack Glessner of Pittsburgh, Pa. The candles were lighted by Miss Ruth Vail of Marion and Miss Barbara Jaeger of Columbus.

The organ program included "Indian Love Call," Friml, "When Twilight Falls," Federer, "Aid du Dauphin," Roeckel, "O Perfect Love," Burleigh, "Aria," Mendelssohn, "Sweetest Story Ever Told," Stults, "Romance," Rubinstein, and "Liebestraum No. 3," Liszt. The traditional wedding marches were used and during the ceremony "To the Evening Star" from "Tannhauser," Wagner, was played. Miss McDonald sang "Always," Berlin, "I Love You Truly," Bond, "Because," d'Hardelot, and "The Lord's Prayer," Malotte.

The reception was held at Greenwood Inn where Miss Margaret Huffman, Miss Dorothy Martin and Mrs. Morris E. Kline assisted. The table held a tiered wedding cake decorated with a miniature bride and bridegroom.

The bride's mother was costumed in a black and white print dress with which she wore a black hat and Mrs. Drollinger chose a print costume of white with black motifs and white accessories. Mrs. Youngblood wore a corsage of red rosebuds and the bridegroom's mother wore pink rosebuds.

When the couple left for a wedding trip to Buffalo, N. Y., the bride was wearing a brown suit with beige accessories and an orchid corsage. Upon their return they will make their home in Ada where the bridegroom is a junior at Ohio Northern university.

The bride was graduated from Harding High school in 1947 and has been employed in the office of the Berlou Manufacturing Co.

Guests from out of the city included Mr. and Mrs. Kenneth Kunkler and daughter, Mr. and Mrs. F. M. Jaeger and children Regina and Barbara, Mr. and Mrs. L. B. Holton, Mrs. Paul Wilson, Mrs. Carrie Covey, Mr. and Mrs. John Ubling and Mrs. J. K. Williams of Columbus, Mr. and Mrs. Richard Grahm and daughter Mary Ruth of Mansfield, Mr. and Mrs. J. K. Glessner and Mr. and Mrs. J. K. Glessner Jr. and daughter of Pittsburgh, Mr. and Mrs. Bernard Gatrell and children of Upper Sandusky, Mr. and Mrs. Rob Roy Apt of Detroit, Mr. and Mrs. Everett Snider and Mr. and Mrs. Dean Snyder of Mt. Pleasant, Mich., Mr. and Mrs. Frank Osmun, Miss Bertha Gugler, Miss Edna Gugler, Mr. and Mrs. William Wilkie of Akron, Mr. and Mrs. Carl J. Gugler, Mr. and Mrs. James Lindley, Mr. and Mrs. Brad Dyer and son of Galion, Miss Barbara Caldwell of Cleveland.

The rehearsal dinner was held at Greenwood Inn Saturday evening. At this time Miss Youngblood presented her attendants with pearls, the flower girl and ringbearer with white Bibles and the candlelighters with bracelets. Mr. Drollinger gave his best man and the ushers leather billfolds.

GETS BIG SPARKLER. Comedienne Joan Davis of the screen and radio displays her new diamond engagement ring which is "so big I'll have to put my arm in a sling to wear it." She got the seven carat dazzler from Danny Eiman, former Chicago business man in Hollywood, Calif. They haven't yet set the wedding date.

Marion Man And English Girl To Wed Here June 12

MR. AND MRS. SAM HADLEY of Black Heath, Burmingham, England, are announcing the engagement and approaching marriage of their daughter, Irene, to Sgt. Frederick L. Miers of Patterson Field, Dayton, son of Mr. and Mrs. Herman F. Miers of 442 North State street. The couple have chosen Saturday, June 12, for the wedding which will take place at 4 o'clock in the afternoon in Calvary Evangelical United Brethren church here. A reception at the Miers home will follow the ceremony.

Here for the wedding is the bride-elect's mother, who came to the United States early this spring to visit her daughter. She will return to England later this month.

Miss Hadley was born in Dayton during her parents' residence in the United States and returned to her native city about one and one-half years ago. She is on the office staff of the Buckeye Brass & Iron Foundry of Dayton. This is her mother's first visit here since the family returned to England several years ago.

Sgt. Miers joined the armed forces about three years ago and is with the communications service of the Army Air Force. He has been stationed at Patterson Field for a year.

Club Hears Talk By Marion Florist

A study in appreciation of the art of corsage construction was arranged for the Business and Professional Women's club meeting at Hotel Harding Wednesday night. Bethel R. Hurst, Marion florist, demonstrated flower arrangements, following dinner. Mrs. Lucille Cunningham, program coordination chairman, arranged the meeting, and she was assisted by Mrs. Lillian Quigley and Miss Dorothy Haynes.

After Mr. Hurst made each corsage, it was presented a member of the club as a special award. One of peach glamelia was given Miss Kathryn Lusch, a flame lily combination went to Miss Lucille Bunnell, a spray orchid chatelain went to Miss Lois Kraner, and a carnation combination to Mrs. Quigley. As an "encore number" request, Mr. Hurst made a corsage of pink roses which had formed part of the table decorations. This was presented Miss LaVern Lash, newly elected president of the club.

The table decorations for the dinner were bouquets of roses in crystal bowls, groupings of pink candles in crystal holders, and strips of pink crepe paper down the length of each table with individual roses placed at intervals along the line. Miss Betty Leib read the club collect preceding dinner, and Miss Mary K. Miley made announcements.

While Mr. Hurst worked with the flowers he commented on flower arrangement, and answered questions concerning his work. Music was by Miss Dorothy Gail Stephenson, who sang "Wake Up," "The Answer," and "My Friend," and Miss Rosaline Manzo whose piano numbers included "Rustle of Spring," an arrangement of "Because," and "Cumana."

Twenty-eight members of the Exchange club attended the luncheon meeting at Hotel Harding. All members were urged to be present at next week's meeting when the annual election of officers will be held.

Farm Bureau Council Plans at Richwood

Special to The Star

RICHWOOD, June 4 — Farm Bureau council No. 14 met recently with Mr. and Mrs. Charles Shields. For devotions the hostess read the one hundredth Psalm; this was followed by the Lord's prayer unison response. Mrs. Dorothy Gray reported the baby conference meeting at Marysville May 27. These clinics will be under way in July. The Richwood clinic will be held July 7. Mrs. Gray also reported the May meeting of the home and community committees, held in Marysville. Mrs. Geer of Marysville, guest speaker, spoke on the care of the aged and convalescent in the home.

Election of officers will be held June 24, followed by a tea by the board members. All council women are urged to be present. Lester Coleman of Marysville, educational director of the Farm Bureau office, was present at the meeting and showed two films on coop feed and petroleum. Robert Mather followed with a discussion on the Louisville, Ky. refinery. A sum was pledged to the kindergarten fund. Mrs. Amy Pacha had charge of the recreation period.

GIRL SCOUT CAMP PLANS ANNOUNCED

Day Schedule Arranged To Start June 22.

Plans for Girl Scout day camp have been announced by Mrs. Cecil Gabler of the Girl Scout executive staff. Camp dates are June 22 through 30, each day, and July 1 and 2, and place of the camp is the Orla Barks farm, Barks road, a mile south of Marion on route 23 and a half mile west on Barks road.

Mrs. Gabler stated that any girl between 7 and 18, whether a member of a Scout troop or not, may attend day camp. Final plans include the following. Bus service will be available to all girls 12 or younger who cannot find other means of transportation. The bus will leave the courthouse 9:15 a. m. and return at 3:45 p. m., at a small charge, and tranfers will be honored. Since the bus cannot transport all girls to camp, it is necessary to limit the trips to those who cannot find other means of transportation.

Registration forms properly filled out and registration fee of $1 are to be at the Girl Scout office by June 10. The forms may be obtained at the office, room 15, Citizens building, West Center street.

HARPSTER SERVICE

Worship hour and Sunday school at the Harpster Methodist church Sunday will be at 9:30 a. m., with the pastor, Rev. Fred Ross, in charge of the first half hour, he announced. Combined service of church school and worship period will be held Sunday at the Little Sandusky church of the Harpster charge at 9:30 a. m. Worship at the Wyandot church will be at 11 a. m.

Emanuel Lutheran Church Circle Meets

The Philathea Circle of Emanuel Lutheran church held a dinner meeting Wednesday night at Ringer's Inn. Three out of town members, Mrs. M. Y. Gast of Hollywood, Fla., Mrs. Daphne Long of Los Angeles, Calif., and Mrs. Cutler Cahill of Bellevue, O. were present for the affair.

Mrs. Mabel Fletcher conducted devotions, and plans were made to send the annual scholarship for a student in India.

The program included two selections by a trio, composed of Mrs. Curtis Laubner, Mrs. Carl Hoffman and Mrs. Karl Dune, and accompanied by Mrs. William Ackerman, a playlet, "Gab and Gossip," by Mrs. Walter Aythelm, Mrs. Ernest Cooper and Mrs. John Loeffert, and a reading by Mrs. Alfreida Gast, a guest. Prizes in contests were won by Mrs. Clifford Hoch and Mrs. Chester Murtaugh.

COMPLETES POLICE COURSE

GALION—Back on duty this week Captain Charles Lauer of the Galion Police department has completed a five-weeks course in the School of Police Sciences, specializing in fingerprinting. UNBRIDLED WATERS CHURN IN NORTHWEST

By The Associated Press

PORTLAND, Ore., June 4—Unbridled waters churned today through newly punched-out dikes on the Pacific northwest's far-flung flood front. More strained levees were crumbling. A new crest was rolling down.

The Fraser river in Canada crushed the barriers—at Barnston and Hatzic islands in British Columbia. Some 360 persons raced for their lives ahead of a wall of water 20 feet high that broke through on Barnston. All reached safety.

Reinforcements rushed to soggy dikes along the lower Columbia river's shores in Oregon and Washington as the massive flow of the big river threatened to widen its most destructive 1,200-mile surge to the Pacific.

The fresh flood crest was mounting in the Columbia, far up in the mountains where the blazing sun too quickly changed the deep snowpack into runoff water. The Snake river, main Columbia tributary, also was rising.

The collapse of Barnston and Hatzic dikes last night flooded more fertile farmlands, adding to the tremendous but yet untotaled millions of dollars damage in the northwest region.

Before the new rampages of the Fraser, estimates from qualified sources soared to $100,000,000 for the Columbia in Idaho and the lower valley in Oregon and Washington $30,000,000 for the Fraser. The death toll on the Columbia was 21, two on the Fraser.

A wall of water 20 feet high roared into Barnston. The saucer-like island, almost three miles long and one-half wide, is 20 miles east of Vancouver, B. C.

MEAT PRICES RISE SINCE STRIKE'S END

By The United Press

Meat prices have continued upward since the CIO packinghouse workers ended their strike May 25 but in most cases the increase has been slight, a nationwide survey in 10 cities showed today.

Experts in the various cities differed, however, as to the reason for the continued increase. Many had predicted that the strike's end would bring more abundant and cheaper meat to the nation's dinner tables.

Today's survey showed the following average prices prevailing in the 10 cities as compared with those of May 21, before the strike ended.

Round steak (per pound), May 21, 86.8 cents, now 90.8 cents; Bacon, May 21, 74.3 cents, now 74.4 cents; Sirloin May 21, 87 cents, now 91.9 cents; Hamburger May 21, 52.4 cents, now 55.6 cents; T-bone, May 21, 92 cents, now 97 cents.

The biggest increases were at St. Louis and Detroit. Prices in those two cities appeared to have risen almost 10 cents a pound on each cut.

Several cities, such as Milwaukee, Pittsburgh, and Chicago, reported no increases. Prices dropped on some cuts at Los Angeles and Atlanta. At Atlanta, round steak dropped from 99 to 97 cents and sirloin from 99 to 95. Round steak dropped from 75 cents to 69 cents a pound at Los Angeles.

A Minneapolis meat dealer said the rising market was "definitely continuing" but that he didn't expect prices there to rise 10 cents.

Spokesmen for the National association of retail meat dealers did not believe the price rise was general. Executive secretary George Dressler said, however, that such a general increase may come soon.

AIRPORT LAND CROP TO BENEFIT CHURCH

Farmers Travel 30 Miles To Plant Soybeans Here.

Thirteen farmers of north of Bucyrus traveled about 30 miles Thursday with tractors and other farm equipment to plow, work and plant 30 acres of soybeans in a plot north of Marion for the benefit of their Sunday school class.

The men were all members of the Friendship class of the Brokensword Methodist church, located about six miles north of Bucyrus. The ground is located about three miles northeast of Marion on the Pole Lane road and is a portion of the tract of land which was obtained by the city of Marion for a new city municipal airport.

Virgil Schieber of north of Bucyrus leased the land and then donated the use of it to the Friendship class. Proceeds from the crops are to go to the class for its various projects.

The work on the 30 acres got under way early Thursday morning with the group of farmers working with approximately $25,000 worth of machinery. They completed the planting around 4 o'clock in the afternoon.

Working in the group were Marvin Linn, Dorsey Linn, Chester Schiefer, Eddie Reinhart, Adam Rossman, Arlo Lutz, Warren Lutz, Wesley Fankhauser, Bob Neff, Virgil Schieber, John Mauer, George Danschreder and James Neff.

The Friendship class membership totals about 55.

WINCHELL ACCEPTS BROADCAST OFFER

By The Associated Press

NEW YORK, June 4—Walter Winchell will end his radio contract with the Andrew Jergens Co., next Dec. 31 and has signed an agreement with the American Broadcasting company for 52 broadcasts guaranteeing him $520,000 in 1949.

Variety, theatrical weekly reported the 16 years association of Winchell and the cosmetic manufacturer was "dissolved as much by the manufacturer's refusal to perfume a rather odorous commercial tagged onto Winchell's time during recent weeks" as by larger financial offers.

Winchell's office confirmed this as "completely correct."

While still unassigned to another sponsor, Winchell will give 52 broadcasts next year under ABC auspices with a guarantee of $10,000 a program.

Variety said the ABC move was to retain the commentator for itself and fend off the possibility of his moving to another network.

Winchell gave Jergens, which was paying him $390,000 a year, an opportunity to meet the ABC price, but the manufacturer declined to go higher.

Variety also said Winchell was offered $520,000 by a cigaret company to move to another network, but Winchell refused.

QUEEN TO STEP FROM THRONE ON SEPT. 4

By The Associated Press

THE HAGUE, June 4—Queen Wilhelmina of the Netherlands will abdicate on Sept. 4, it was announced officially today.

Her daughter Crown Princess Juliana will assume the throne that day and be sworn in as queen two days later, the announcement said. Sept. 6 will be the fiftieth anniversary of Queen Wilhelmina's ascension to the throne.

Queen Wilhelmina, in poor health for months, announced a month ago she would step down in September, but did not set the day. Her abdication will follow the celebration on Aug. 30 of her fiftieth anniversary as ruler over the Dutch empire.

Princess Juliana now is princess regent, her mother having relinquished her royal duties last month for the second time in a year, because of her health. The queen is 67. Juliana is 39, the mother of four daughters.

Driver Fined After Collision with Bus

City police today reported two automobile accidents, one involving a city bus.

A bus owned by the Marion Rapid Transit Co. and driven by Dallas W. Gilbert of 118 Fairview avenue, going west on Silver street at 7:45 p. m. yesterday was struck in the rear by a motor vehicle driven by Marshall E. Conner of 160 Plymouth street as it pulled into the bus zone. Conner was arrested on a charge of insufficient brakes. He was fined $10 and costs in municipal court this morning when he pleaded guilty to the charge. No one was injured.

At 12:48 p. m. yesterday, a car driven by Harold B. Seymour of Columbus and one driven by George E. Jackson of Indianapolis, Ind., collided at the Delaware avenue and Superior street intersection. Slight damage resulted.

Merchant Policeman Resents Slur, Shoots

By The Associated Press

SPRINGFIELD, O., June 4—Merchant policeman Charles Combs shot 24-year-old Clyde Harris last night because Harris called him the name of a comic strip detective, police reported.

Police Lt. Martin Donnelly said the 52-year-old merchant cop admitted the wounding after an argument with Harris, a Springfield butcher. The statement, Donnelly said, was made orally.

Combs is held in Clark county jail for investigation, Donnelly said.

Patrolman John Swords reported he witnessed the shooting on a downtown Springfield street.

Harris, wounded in the stomach, was reported in fair condition at Springfield City hospital.

ASTRONOMERS READY TO USE "BIG EYE"

By The Associated Press

PALOMAR MOUNTAIN, Calif., June 4—Astronomers ushered in a new scientific era today as they prepared to tackle the mysteries of the universe with the 200-inch Hale telescope—mankind's "window to the stars."

The giant telescope-camera atop Palomar mountain in southern California was dedicated formally yesterday by some of the nation's top-ranking scientists. It will afford them twice the space-penetrating power of any instrument previously at their disposal.

Newsmen who took their first peek through the "big eye" last night labelled the show something of a disappointment.

They gazed at the planet Saturn but said they couldn't see much. Saturn, 71,500 miles across, appeared as a globe about two inches wide.

Astronomers patiently explained however, that looking through the telescope is meaningless. It wasn't designed for that.

When further tests are completed and additional equipment installed, the "big eye" will be used to take photographs. The photos will show reflections in the telescope's 14½ ton mirror of light from as far distant as one billion light years.

These photographs, on prismatic spectographs, will be studied and analyzed painstakingly at California Institute of Technology.

WYANDOT CO. VET'S BODY DUE FRIDAY

Special to The Star

UPPER SANDUSKY, June 4—The body of Private Charles Lewis Roberts, 20, killed in action in World War II, will arrive here from Columbus by train late Friday and will be taken to the Bringman & company funeral home. Services will be at 2 p. m. Monday from the funeral home with Rev. W. E. Ballinger of Arlington in charge. Military committal services in Old Mission cemetery will be conducted by local posts of veterans organizations.

Charles Lewis Roberts was born near Upper Sandusky to Roscoe and Jeannette (Stoneburner) Roberts Oct. 24, 1924. His father died in 1947. The mother survives and resides in Mifflin township near here. Surviving brothers and sisters are Franklin Roberts of Carey, Mrs. Kathryn James, Adaline, Rose and Mabel Roberts of Marion; Garnet, Alfred, Richard, Eileen, Maxine, Ruby, Bobbie, June and Betty Jean Roberts at home.

Private Roberts enlisted in the U. S. Army Feb. 4, 1944, and trained at Camp Blanding, Fla. He was a member of the 141st Infantry, Co. G. Overseas he served in Italy and was killed in action in eastern France, Oct. 26, 1944.

A farmer before his enlistment, he was a graduate of Marseilles High school in 1942. He was affiliated with the Wesley Chapel church and was a lifetime resident of the Mifflin community.

GAS

which owns a controlling interest in Ohio Fuel.

The commission approved construction of 97 miles of pipeline between Ohio Fuel's treat compressor station in Licking county and the existing connection with West Ohio Gas company in Allen county, supplying the markets of Lima, Kenton, Delphos, Ottawa, Leipsic and other communities. Lateral lines also will be constructed to serve Marion, Kirkpatrick, McGuffey and Kenton.

Ohio Fuel Gas said new facilities will meet the natural gas requirements of its markets in the central Ohio area, which include 17 communities and two utility customers. Removal of old facilities will make necessary the abandonment of gas service to 34 rural customers, the company said.

The power commission said its order was without prejudice to the authority of the Ohio Public Utilities commission regarding discontinuation of service to 34 rural customers.

TWINS IN ONE

MANILA, June 4—Birth of a baby with four each of ears, eyes, hands, teeth and feet was reported today from Cabanatuan, central Luzon. A Philippines constabulary lieutenant named Desacola said the infant died a few minutes after delivery last night.

"PRETTIEST KID" SMILES AGAIN. Badly disfigured in a fire in which her mother lost her life, Ethel Mary Reid, 8, of Boston, plays with a doll and doll house at Deaconess hospital, where she is undergoing plastic surgery. Helping her "play house" are Nurse Lucinda Fairbanks and Fireman William Hennesey. The latter was instrumental in getting a fund set up by prominent businessmen to pay hospital expenses for the girl who was known as the "prettiest kid on the block."

they are. You know the President is virtually in jail. He goes from the White House to the executive offices each day and is guarded all the time.

"The President can do a better job by getting out and getting around the country.

"I understand that this is the top of the world in Ohio.

"This is a non-partisan and bipartisan trip, but I understand there are some Democrats along too."

The crowd laughed at his last remark. Flanking the President were Albert Horstman, Ohio's Democratic national committeeman, and Robert Moulton of Galion, manager of the Lausche pre-primary campaign for governor.

The President made no reference to any political issue in his brief talk. Apparently pleased with his reception he said this was the largest gathering so far this trip.

Lausche, who joined the President on the platform of the coach, expressed the hope that he would be accorded the same hearty reception for the duration of his trip. He also extended congratulations to the city of Crestline and Crawford county for the large turnout of citizens and expressed gratitude to President Truman for his brief visit.

Just before the train pulled out Mayor R. L. Hertzer of Bucyrus, chairman of the Crawford County Democratic committee presented the President with a bouquet of flowers from the Crawford county organization.

Broadcast Plans For Truman Talk

By The Associated Press

CHICAGO, June 4—President Truman's speech at the Swedish pioneer centennial observance tonight will be broadcast on a local basis by only one Chicago station—WGN—at 9 p. m. (EST).

There will be no direct network broadcasts.

The American Broadcasting company, however, plans to carry a recording of the speech from 10:35 p. m. to 11 p. m. eastern daylight time and will repeat it from 11:35 p. m. to midnight eastern standard time.

CIO Workers with GE Asking Wage Boost

By The Associated Press

NEW YORK, June 4 — CIO United Electrical Workers of the General Electric company have asked for a wage boost on the recent General Motors and Chrysler corporation settlements.

The union, making its first specific wage request since negotiations began three months ago, said it would accept an 11-cent an hour wage rise with further changes dependent upon the labor department's cost of living index. GE announced yesterday.

A flat 13-cent increase, which United Automobile Workers strike against the Chrysler corporation, also would be acceptable to UE.

MUSIC IN WAR ZONE DIRECTED BY OHIOAN

By The Associated Press

TEL AVIV, ISRAEL, June 4—Izler Solomon, young American conductor from Columbus, O., is conducting the Palestine Philharmonic Symphony in this center of a new nation at war, often with air raid sirens furnishing an obligato.

Conductors who had been scheduled to come here for the orchestra's season canceled their contracts when the war with the Arabs began, and the Philharmonic appealed to Solomon. He accepted.

His last two concerts were played before capacity audiences.

Solomon is proud that he is the first foreign visitor to get an entry visa for the state of Israel. In his American passport is stamped entry visa No. 1.

Other amusements continue in Tel Aviv, despite the war and the daily air raids. Although attendance is cut down because of the large number of emergency work, the theater, the opera and the motion picture houses are carrying on. Tel Aviv theater companies even continue to tour the countryside, over risky roads, and groups often go to the front lines to entertain Israel's fighters.

PALESTINE

(Continued from Page 1)

Tel Aviv, Jewish planes bombed Nablus and hit a police fortress, the Israelis said.

The Amman informant said Jewish troops struck a small Arab strongpoint southeast of Haifa yesterday, causing considerable damage with armored car guns before withdrawing.

While negotiations for a truce continued, Jerusalem had 24 hours of relative peace. Haganah through yesterday was holding all but a small part of the modern city, but the Jews stood fast without advancing and Arab forces made no attempt to improve their positions. Even the snipers took the night off, a dispatch from the city said.

WOODRUFF TO DEBATE RAILROAD QUESTION

Erie President To Meet Whitney in Radio Forum.

Special to The Star

CLEVELAND, June 4—Robert E. Woodruff, president of the Erie railroad and former Marion resident, will take the negative side of a debate on "Should the Government Own the Railroads?" scheduled for the People's Platform program of the Columbia network, Sunday, June 6, at 12:30 p. m. Speaking for the affirmative will be A. F. Whitney, head of the Brotherhood of Railroad Trainmen. The moderator will be Dwight Cooke of New York City.

The broadcast will originate in the studios of station WGAR in Cleveland, the city in which the headquarters of the railroad and union are located. Mr. Woodruff is an outspoken proponent of the free enterprise system and recently opposed the plan offered by 21 operating unions to nationalize the railroads of America.

Listeners in the WGAR area will hear the debate at 2:30 p. m. Because of previous local commitments, the station will record the debate, while feeding it to the network at 12:30 p. m., and rebroadcast the program at the later time.

Elks Plan Flag Day Event Next Thursday

Plans were made for the annual observance of Flag day next Thursday night, at a meeting of Marion Lodge No. 32, B. P. O. Elks, last night. Karl S. Kay, chairman, announced there will be a speaker and members of Troop No. 1, Boy Scouts, sponsored by the lodge, will present a drill. Several applications were received.

Plans were discussed for initiation Sunday, June 27, to be followed by a ham and egg breakfast. Gene Gunder, bowling chairman, announced that plans are under way for the organization of a lodge bowling league next season. Final plans were made for a social evening and entertainment Saturday night. W. G. McNeal, chairman, presented the annual report of the auditing committee.

Find No Communism In YMCA Unit at OSU

By The Associated Press

COLUMBUS, O., June 4—A committee of the Franklin county community chest today said there were no evidences of communism in the Ohio State university YMCA.

The admissions committee report ended a six-week inquiry into activities of the campus group. The investigation was made after reports circulated here that the YMCA was a center of leftist activities.

"There is no evidence that its (the YMCA's) officials and employes are Communists . . . the university YMCA does not harbor nor promote communism," the report said.

The YMCA is financed by the community chest.

Sitting Down Problem Faces Lima Council

By The Associated Press

LIMA, O., June 4 — City Welty, president of the Lima council, is keeping the council from sitting down at its meeting.

Several months ago while Welty was ill, the council sold the building it now uses and bought another. While the new building, formerly the Greyhound Bus depot, was being readied, the council continued to sit in its old quarters.

The other day optimistic city officials moved all the council furniture to the new building, then found the legal machinery to make the move fit the law has not been set in motion.

Welty doesn't want to move and steadfastly has refused to vote for such action.

The move must be approved by six votes of the seven-man group and councilman Robert Wilson has been ill. Six approving councilmen haven't been able to get together while President Welty continues to vote no.

Unless something is done before next Monday night, councilmen will take their votes standing—in a chairless room.

Ohio Crops Aid Seen In Near-Future Rain

By The Associated Press

COLUMBUS, O., June 4—Rain in the near future will offset the damage done by the present minor drought throughout the state, the Ohio State university agriculture extension service said today.

The dry weather hit strawberry growers. The first yields were excellent, but subsequent lack of rain has either dwarfed the fruit or ruined it completely.

It has been 17 days in many parts of Ohio since the last rain fell.

Many farmers have been forced to cut their hay short and some corn and soybeans have not properly germinated due to dryness.

Student Flier Hurt In Northern Ohio Crash

CLEVELAND, June 4 — A student flier suffered cuts and bruises last night when he made a forced landing in a field near North Ridgeville.

Elmer Davis, 24, said motor trouble was to blame. His light training plane was wrecked. A motorist took him to Elyria Memorial hospital, where seven stitches were required to close a cut on his forehead.

Can Wear Smaller Clothes Thanks To Rennel

Rennel is the original grapefruit juice recipe for taking off ugly fat. It's simple. Just go to your druggist and ask for 4 ounces of liquid Rennel. Pour the contents into a pint bottle—add enough grapefruit juice to fill the bottle. Then take just two tablespoonfuls a day. That's all there is to it. If the very first bottle doesn't show you the simple, easy way to lose bulky fat and help regain slender, more graceful curves—if reducible pounds and inches of excess fat don't just seem to disappear almost like magic from neck, chin, arms, bust, abdomen, hips, calves and ankles; just return the empty bottle for your money back. You need never know a hungry moment while taking Rennel—no starvation diet—no printed diet list to buy—no vitamins to fortify you against weakness while going hungry, for you WON'T be hungry.

Here's what Mrs. Fred Higgins, 82½ S. High St., Gloaster, Ohio has to say, "I can truthfully say that Rennel has done me a great deal of good. I have lost many of the bulges I used to have and can now wear a dress 2 sizes smaller with comfort. My daughter is now using Rennel and I will be delighted to recommend your product to anyone." Get Rennel from your druggist today. Don't be switched to another product, get genuine Rennel.

It was a hot day. Across the street the stevedores worked with their heads down, and the trucks rolled by, clanking and stinking.

Hal Boyle

The boy and the girl didn't look much like sweethearts. They held hands listlessly. It's hard to be storybook sweethearts in a jungle of brick and steel and noise. And in a little park that has to fight to stay green.

A block away the liner America, her bright funnels beginning to plume, bellowed goodbye. Peacetime passengers crowded the rails where thousands of homesick soldiers leaned in wartime for a farewell look.

THE HOARSE SOUND of the whistle throbbed through the little park, swarming the voice of the city. The boy looked up. His eyes brightened. He grinned as the swell of sound pushed by.

"Listen," he said to the girl. "Listen to her. She's saying goodbye. Wouldn't you like to be on her?"

The girl pushed her bobbed hair back impatiently.

"How can you want that?" she said.

The boy barely heard her. He leaned forward on the bench. The liner whistled again. Her leash slipped free, and the tugs worried her bow and stern.

"She's on her way," the boy said. "She's on her way."

The girl didn't look at the ship. She watched the boy and she knew he had left her. He was on the ship, standing out to sea. She tried to bring him back.

"Why would you want to leave? Why would you?"

THE BOY DID NOT answer. He watched the liner as she nosed downriver, her pennant ruffling in the wind from the sea. Then she was lost behind the drab dock buildings.

The boy sighed and leaned back. He lit a cigaret nervously. They sat together in silence.

On the next bench a mother called to her child. "Helen, come on now. It's time to go home."

They left, and as they passed the bench where the boy and girl sat, the child said:

"Mommy, look, new—" Her mother jerked her arm and said, "Hush."

The girl squeezed the boy's hand tightly as he stared at the empty dock.

"I JUST CAN'T see why you always want to go," she said. "Haven't you had enough?"

"I guess not," the boy said. He rose slowly, holding to the bench. The girl reached under it and pulled out a pair of crutches. She handed them to him.

"It's time to go home," she said. "I'll carry your jacket."

The jacket was old, and the sleeves were frayed.

It was an Army combat jacket.

Women of Harding Faculty Hold Dinner

The women faculty members of Harding High school held a dinner party, an annual event of the closing of the school year, Wednesday evening in the Presidential Suite at Hotel Harding. The affair followed the senior class day exercises which were held at the Harding stadium.

Places were laid for 17 at tables decorated in a color scheme of pink and white. Bouquets of pastel colored roses and peonies centered the tables and lighted white tapers completed the decorations. The evening was spent socially.

Guests were Mrs. Lester L. Dickey, wife of Supt. Dickey, and Mrs. A. C. May, wife of A. C. May, Harding principal. Mrs. Glen Woods Jr., who was recently married and will not be on the faculty next year, was honored. Before her marriage, Mrs. Woods was Miss Dorothy Rosenmiller.

The committee in charge of arrangements for the affair was composed of Miss Edith Brown, Miss Kathryn Moore, Miss Ruth Turner and Miss Mary Jo Stafford.

Driver Is Fined $100, License Suspended

Walter Shuster of 602 Livesper avenue was fined $100 and costs and his driver's rights were suspended for three years in municipal court this morning, following his arrest yesterday at 4:00 p. m. He pleaded guilty to a charge of operating a motor vehicle while intoxicated. Shuster's arrest followed an automobile accident in front of 726 Henry street when his car ran into a parked car owned by L. E. Gerard.

Thomas Richard Rowe of near Marion, arrested at 2:23 a. m. today on East Center street, was fined $15 and costs in municipal court following his arrest on a charge of driving a motor vehicle in excess of the speed limit.

Edward Harold Brooks, alias Edward H. Mattison, of 148 Glad street, arrested at 12:32 p. m. yesterday on a suspicious check charge and lodged in city jail, was released to Army M.P.'s of Fort Hayes, Columbus, today.

Lawrence Robert Fridley of Attica, charged with driving a motor vehicle in excess of the speed limit, was fined $15 and costs today in municipal court on a plea of guilty. He was arrested at 7:39 a. m. on Mt. Vernon avenue yesterday.

Programs on the Air

A preview of the nominating speeches at the Republican and Democratic national conventions will be heard by ABC listeners when America's Town Meeting, beginning Tuesday, June 8, at 7:30 p. m., presents two consecutive broadcasts on the question: "Whom Should the Republicans and Whom Should the Democrats Nominate for President?" On the June 8 broadcast from Denver, five Republicans will speak on behalf of five different candidates for the GOP nomination. A week later on Tuesday, June 15, in Harrisburg, Pa., four Democrats will advocate their choices for the Democratic ticket.

All times given are Eastern Standard Time. Erroneous listings, if any, are caused by last-minute changes made by stations and networks.

New York Stock Quotations

By The Associated Press

NEW YORK, June 4—The stock market today resumed the slow orderly retreat which started Thursday.

Declines were mainly fractional, a few extending to more than a point. Several large blocks of stocks appeared on the tape but business generally was moderate.

Stocks marked down included U. S. Steel, Bethlehem, General Motors, Montgomery Ward, International Harvester, Allied Chemical, U. S. Gypsum, Southern Pacific, Illinois Central, Sinclair Oil and Twentieth Century-Fox.

Moving against the trend were U. S. Rubber, Celanese and Standard Oil of Ohio.

Pacific Telephone & Telegraph Co. moved up more than a point at one time following news of a larger common stock dividend.

SOAP BOX DERBY ENTRIES NOW OPEN

Committee Lays Plans for Annual Schoolboy Race.

Entry blanks for the annual soap box derby were made available today at the showrooms of Midtown Chevrolet Co. at 208 South Main street. Only at this location will entry blanks be available for the schoolboy event. Sponsors are the Marion Lions club and radio station WMRN.

Jack Hanley and Joseph Halberstein will be co-chairmen for the Lions and the following Lions will supervise details of the event:

Robert Minard, of the YMCA will be in charge of the preparation of applications and race rules and regulations. The boys may obtain their entry blanks from Harry Haberman at Midtown and take them to Mr. Minard at the YMCA to be filled out. Mr. Minard also will issue rule books and the list of sponsors.

Each boy will then select his own sponsor, contact that sponsor and arrange details as provided in the rule book.

Dr. Dan Murphy, chairman of last year's derby, will be technical advisor. The track, track preparations, seating, arrangements for roping off streets and all track details will be directed by William Eikenberry.

The starting ramps, which this year will be electrically operated will be designed by Richard Denman, and constructed under his direction. Announcer for the events and official announcer of results of the derby will be Robert Axe.

The date on which the derby must be run is not yet decided but it will take place sometime between July 18 and 24 as winners here may prepare for competition in the Columbus derby July 31.

WHAT are the odds that if the first man up in an inning walks, the team at bat will score in that frame? George Flora, a director of the Marion Cubs, sets them at seven to 10, and as far as Marion is concerned, that's about right.

Thirty times in games at Lincoln park this year, the first Marion player at bat has walked, and in 18 of those innings, the Cubs scored at least one run, which would put the odds at six to ten.

But with the opposition it's a different story. At the home park they've opened 24 innings with a walk, but scored in only eight of those innings, which is an average of but three in ten.

A surer bet would be to lay money that if the first Cub at the plate in an inning gets a safe hit, the locals will score, because they've done that in 36 of 47 such innings here, or almost eight out of ten times. Marion opponents who have opened an inning with a safety have scored about five and a half times in every ten such innings.

If the first man up in an inning fails to reach first base, then you might as well put aside your hopes—or fears, as the case may be—because on an average, only once in ten times will the inning produce a run.

If a Marion player opens an inning by arriving on base safely because of an error, the odds are six to 10 he or one of his mates will score, and they're five to ten with the opposition.

All of which ought to help you know when to start whooping it up for the big rally, even if it doesn't let you know who's going to win.

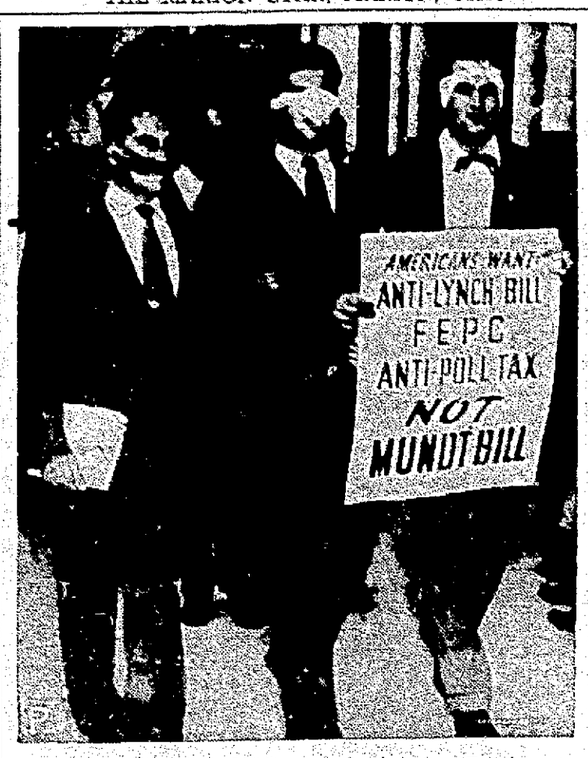
LEE BOHLANDER, outfielder of the Marion Cubs, the club's most consistent .300 hitter until falling into a 1-for-18 slump during the Cubs home stand last week, is apparently on his way back up. Since Monday he has hit safely four times in 13 trips, which is more like his usual clip.

While Bohlander's average fell from the 330's to the 290's during the lengthy home stand, Manager Zeke Bekeza's took a steady climb up from the low .105 he had earned before breaking his hand. Since re-joining the line-up last week, Zeke has moved clear up to the 300's.

Both men have one thing in common—hand trouble. Zeke's is still somewhat tender from the recent bone fracture, and Bohlander's thumb is sore. Lee tried wrapping his bat handle in sponge rubber, but it didn't seem to help much.

Pete Neukirch is a third Cub who is suffering an injury. Though he has been batting an even .500 since joining the club Sunday afternoon, he has been used only as a pinch hitter since he skinned his leg on a slide into home at Lima Monday night.

With Neukirch, Bohlander, and Bekeza off the injured list and another top-notch pitcher on the ball club, the Cubs should be ready to consolidate their first division berth. At the present time the Cubs are carrying six pitchers, and can use another by releasing one of the fielders.



ANTI-MUNDT BILL MONKEYSHINES. Anti-Mundt bill marchers symbolize "Speak no evil—See no evil—Hear no evil" as they picket GOP Washington headquarters. Trio is among 3,500 who converged on the capital urging the Senate to kill the House-passed Communist control measure.

HARRIMAN ROVES. Roving Administrator W. Averell Harriman, former U. S. secretary of commerce, boards a TWA plane at New York, bound for Paris, where he will direct operations of the European Recovery Program throughout the continent.

PERINI HAS SECOND BIG YEAR ON MOUND

COLUMBUS, O., June 4—Pete Perini, Ohio State's ace pitcher, has duplicated his 1947 record of winning 8 and losing 2, with another game to hurl. Since losing to Michigan April 30, Perini has won six straight and in his six Big Nine games this year has allowed but four earned runs for a 0.68 average per game. In going the distance in all of his conference games, Perini shut out Purdue and Illinois. The Illini, champions in 1947 and co-champs this year, collected no runs and only seven hits off Perini in the two-year 18-inning span. Both of his verdicts were by 6-0 scores.

Captain Norbert Ranz is making a strong bid for the Big Nine batting crown, holding an even .400 average for 12 games.

Indians To Open Baseball School

By The United Press

CLEVELAND, June 4 — The Cleveland Indians will open their second annual baseball school at Massillon, O., next week with the goal of uncovering new talent among Ohio high school youths.

Indian scouts Laddies Placek and Glenn "Gup" Lewis, assisted by batting practice catcher Bill Lobe, will operate the school at Lincoln park in Massillon June 10-12. The school will move to the fairgrounds at Warren, June 17-19, under the direction of chief Tribe scouts Bill Bradley and Laddie Placek, also assisted by Lobe.

The school will be operating for the first time at Massillon this year. At Warren last year the Indians signed Herman Wallitz, Bob Yuhas and Mike Lutz.

High school graduates who are not members of an American Legion team are eligible to enroll in the schools.

Morral Church Class Elects New Officers

Election of officers for the new year was held when the Home Builders Class I of the Morral Methodist church met Tuesday night at the home of Mrs. H A DeRoche.

Mrs. Mary Wood will serve as president in the new year, Mrs Frank Haner, vice president, and Mrs. William Hughes, secretary and treasurer. All were reelected. Named to serve on the program committee for three months were Mrs. Haner, Mrs Harry Hall and Mrs. Myers.

A song, "America," opened the meeting, scripture was read by Mrs. Hughes and prayer was given by Mrs. DeRoche.

A memorial to the class members who have died within the last year was held, with memorial readings by Mrs. Mary Wood and Mrs J. H. Bardon, followed by a song by Mrs J. W. Myers and Mrs. Hughes. The service was arranged by Mrs. L. E Neal.

The program included songs by the group and readings by Mrs. O. T. Pierman, Mrs. Hall, Mrs Haner, Mrs. Bardon, Mds. Edson Cook, Mrs. Wood and Mrs. Myers. During the social hour, a contest prize was won by Mrs. Hall.

TO PREACH AT CALEDONIA

Guest speaker at Memorial Methodist church at Caledonia Sunday morning will be Rev. George Hollister, missionary to China in this country on furlough. He will give the 10.45 a. m. message, Rev. S. E. Kaetzel, pastor, announced. The evening service at the church will be followed by a meeting of the official board, Rev. Kaetzel stated. A delegation from the Youth Fellowship of the church will attend a Fellowship song fest at the Claridon Methodist church Sunday at 8 p. m.

In Plain Words

By James Marlow

WASHINGTON

CONGRESS is trying to finish [illegible] by June 19, so it [illegible] the political conventions. And when it tackles unimportant issues it acts like it's going to a fire. The senate on Wednesday rammed through 52 minor bills.

But on the big stuff it's still pretty slow going. Long debates. Jockeying around.

Maybe you wonder: if congress is in such a hurry, why all the talk? Since congress is made up of Democrats and Republicans, why can't each side let a couple of men talk for them and then go ahead and vote?

James Marlow

It's not so simple as that. That might work in some place like England where parliament is sharply split between Labor and Conservative members.

There's no such sharp division between Democrats and Republicans. In both American parties there are "conservatives" and "liberals."

True, on some issues the Democrats and Republicans close their ranks and vote pretty strictly along party lines.

But most of the time—on the big issues—plenty of members of both parties want to get up and speak their pieces. Why?

BECAUSE THEY THINK they can influence other members; or they want to be on the record for or against something; or they feel so strongly about an issue they have to talk.

As a result—party lines are crossed and on some things Republicans line up with Democrats, Democrats with Republicans.

Because of this endless crossing of party lines, people in other countries probably wonder sometimes what difference there really is between the two parties.

Russia's Joseph Stalin, for example, taking a dim view of what happens here anyway, once said he sees no difference between Democrats and Republicans.

EVEN THE PRESIDENT can't always lead the members of his party in congress along the road he wants them to take.

Although he's head of his party, its members may turn against him bitterly on a big issue.

That happened this year when President Truman urged congress to pass a civil rights program that would have benefitted Negroes mostly.

Among other things he asked congress to pass laws against lynching and poll taxes.

In seven southern states a poll tax must be paid before a person can vote. And most lynchings have occurred in the south, with most of the victims Negroes.

THE SOUTHERN MEMBERS of Mr. Truman's own Democratic party in congress promptly jumped on him, their leader.

And squads of them are against letting him be nominated as their party's presidential candidate in the November elections.

(The Republicans hold their nominating convention in Philadelphia, starting June 21, and the Democrats hold theirs there in July).

Since that southern storm hit him, Mr. Truman hasn't said much about pushing his civil rights program through congress.

When the big issues come up—like letting some of Europe's displaced persons in here—there's plenty of debate in Congress.

"Sterling" is a corruption of the word "Easterlings," the name given by the English to traders from Eastern German cities famous for the purity of their coinage.

Rural Life Sunday Observed at Martel

Martel Grange observed Rural Life Sunday with a service Sunday night, May 30, in the Martel Methodist church. The sermon was delivered by Rev. Alva Taylor, pastor of the Galion Market Street Methodist church and the Sixteen church near Martel.

The prelude and postlude were played by Mrs. Jay E. Hedding, and the invocation and benediction were by Rev. Charles H. Edgar, pastor of the Iberia and Martel Methodist churches. The combined choirs of the Clyde Reformed and Sixteen churches sang "We Plow, We Sow, We Reap."

A reading, "Promise," was given by Doris Voirath and a quartet, composed of Gilbert Goebel, Raymond Pangborn, Walter Rinehart and Everett Douce, sang "There's Music in the Air."

The responsive reading was led by Rev. Clarence Lyon, pastor of the Clyde Reformed church, a trumpet duet, "The Holy City," was given by Everett Douce and Carol Tropt, and a hymn was sung by the audience.

PORTSMOUTH A'S SHUT OUT MARION 4-0

Cubs Meet Catcher Jinx Again As Tom Gatts Breaks Thumb

Special to The Star

PORTSMOUTH, June 4—The Marion Cubs run into tough luck in their series opener at Riverside park here last night, taking a 4-0 shutout at the hands of the Athletics while losing their manager, catcher Zeke Bekeza, by an umpire ejection and their second catcher, Tom Gatts, with a broken thumb.

The two outfits take to the field at 6:30 tonight for a double-header, the first game having been scheduled after the May 2 rainout.

Bekeza was thumbed from the game in the seventh inning for protesting when Pete Neukirch was caught off first in a close decision. Gatts replaced the skipper behind the plate but was in for only a few pitches before receiving the injury. Bob Shuford went the rest of the way.

2-Run Homer

Portsmouth's three runs in the second came when Forrest Rende homered over the left field wall, scoring Billy Fliterafl ahead of him, and Capt. Charlie Kaiser hit a grass-cutter single through short, sending in catcher Tom Hockenbury, who had walked.

Jim Edgar came in to relief pitch with one out and two men on in the fourth. Kaiser popped to Ken Ostrander at first and Rip Major was caught trying to steal third and the threat ended.

The A's eighth-inning run came when Rende doubled to the left center field wall, scoring Fliterafl, who had singled.

Lou Castrovince doubled in the ninth for the Cubs' only extra-base hit but was left stranded when Shuford and Bill Bolduc flew out.

Catcher Jinx

It would appear that the Cubs have a backstopping jinx.

Manager Bekeza, the regular catcher, just recently returned to the line-up after being out some three weeks with a broken hand bone suffered while tagging out a Springfield player sliding home.

His replacement, Bob Osgood, died of a heart attack after playing but two games with Marion.

Bob Shuford, who came here after Osgood's death, is really an outfielder.

And now Tom Gatts, who has been here all along but used only as a substitute, breaks his thumb.

TO TRY TO HAVE PIN TOURNEY HELD HERE

Delmas Redding and Gerald Stephenson will represent the Marion City Bowling Association at a meeting of the Inter-City Bowling Association Sunday at Sandusky to decide where next year's tournament will be held.

Only two cities—Marion and Wadsworth—placed bids for the tournament. It was held at Ashtabula this year and was attended by 382 teams.

Each captain of a team participating in the tournament this year will be allowed one vote for the location his team prefers. Wadsworth American Legion operates the Wadsworth alleys and has staged an extensive campaign to hold the tournament there.

Marion, however, entered 18 teams in the tournament and many teams from near Marion were entered—to brighten the hopes of those who want the tournament here.

A. A. Winterstteller, past resident of Marion, formed the Inter-City Bowling association in 1911. He now lives in Sandusky and is honorary president of the association. He is the father of Art Winterstteller, former owner and operator of the Marion Recreation alleys.

Marion's Palace Recreation bowling alleys are undergoing off season face-lifting operations in the hopes that the tourney will be held here. Cracked boards are being sanded and lacquered, the pin racks have been taken down and reset, the check room enlarged, and all new maple seats are being installed at the bowling line.

YMCA Swim Campaign Scheduled June 7-18

The YMCA's annual "Learn to Swim Campaign" will be held at the Y June 7 through June 18, Bob Minard, YMCA athletic director announced today.

The classes, for both boys and girls, will be open to all fifth and sixth graders of Marion.

Boys classes will be held at the Y Monday, Wednesday, and Friday, both mornings and afternoons, and the girls will receive swimming instructions Tuesday and Thursday afternoons.

Assisting Bob Minard in the swimming campaign will be John Gray, James Wanner, James Cusick and Phyllis Badgely.

All the fifth and sixth graders in Marion have been personally contacted and given application blanks for their parents to sign, Minard said.

A survey conducted by the Y showed that about 80 per cent of the boys and girls in the city's fifth grades can not swim.

Baldwin - Wallace Favored In Fifth All - Ohio Track Meet

DELAWARE, O., June 4—The cream of the Buckeye state's track crop will assemble at Ohio Wesleyan's Selby field Saturday for the fifth annual All-Ohio track and field championships.

The powerful Yellow Jackets of Baldwin-Wallace, led by Harrison Dillard and Gunther Katzmar, will be seeking their fourth straight title. Bowling Green won the first meet in 1944 and since then the team title has been taken by Coach Eddie Finnigan's men.

Miami's strong Redskin thinclads, however, are expected to battle the favorites for the top rung, with B-G's Falcons also in the running.

Dillard Seeks 76th

Dillard, who will be out to stretch his all-time consecutive win record to 76, and Katzmar each took three first places in last week's Ohio conference meet. The peerless Dillard set two conference marks and tied another, lowering his own marks in both hurdles events and again tying the 100-yard dash time of 9.7 seconds.

The 'Jacket duo have the state's best times in six events—120-yard high hurdles, 220-yard low hurdles, 100-, 220-, 440-yard dashes and the broad jump, with the Negro hurdler expected to enter the first three and the rugged Katzmar, the latter three.

B-W's 880 relay team is favored in the afternoon's opening event, but Miami has the edge in the mile relay with the fast time of 3 minutes 24.2 seconds on the books this season.

Field Leaders

Leaders in the field events include:

James Whittaker, B-G, and Ed Einyre, Wesleyan, in the pole vault; Stan Weber, B-G, and Jim Davis, Miami, in the shot put; Jack Hendry, Miami, in the discus; Katzmar, B-W, and Hal Robinson, B-G, in the broad jump; and Bill Bachman, Miami, Jere Casewell, Heidelberg, and Tom Clark, Kent State, in the high jump.

Schools entered are Baldwin-Wallace, Bowling Green, Case Tech, University of Cincinnati Heidelberg, Kent State, Ohio university and Ohio Wesleyan.

Martins Ferry Will Hold "Alex Groza" Day

By International News Service

MARTINS FERRY, O., June 4—Martins Ferry prepared today to throw one of the biggest parties in its history as a tribute to its All-American basketball star, Alex Groza.

Mayor Charles H. Yoho has issued a proclamation designating Thursday, June 10, as Groza day and various organizations of the community are collaborating with the local Booster club in plans for a testimonial banquet.

As center at the University of Kentucky, young Groza received All-American recognition for the last two years. During the past season he was named as the outstanding player in the National Collegiate Athletic Association tourney, won by Kentucky at Madison Square Garden. The 6 foot 7 inch pivot ace is holder of the all-time Kentucky scoring record. This summer he will be Ohio's contribution to the United States Olympic basketball squad.

Alex is the brother of Lou "The Toe" Groza, place-kicking tackle of the Cleveland Browns. Lou and the entire Groza family—consisting of four brothers, the mother and father—will be honored guests at the banquet, along with a number of Martins Ferrians who have made the grade in big time sports during the last few years.

The principal speaker at the banquet will be Adolph Rupp, the colorful Kentucky coach.

SPRINGFIELD WINS TWO OVER TERRIERS

The Ohio-Indiana league is noted more for baseball power than for finesse, but Springfield's second-place Giant's dished up both last night.

The Giants, who gained a half-game on the league-leading Muncie Reds with a double victory over Lima, copped the first game, 4-2. They turned this trick when Ray Burns socked a home run with two mates aboard in the fourth inning.

That three-run hit ruined a neat five-hit pitching performance for Lima's Glenn Flory. Springfield took the afterpiece, too, 3-2.

In other league contests, Portsmouth shut out Marion, 4-0; Muncie pilloried Zanesville, 16-5, and Richmond won the second game of a double bill from Newark, 5-4, but the Yankees took the first, 5-4.

DISTRICT NCAA BASEBALL PLAYOFF SET JUNE 11-12

By The Associated Press

CHAMPAIGN, Ill., June 4 — Michigan, Illinois, Ohio university, and Western Michigan will hold a four-team baseball playoff here June 11-12 to determine the National Collegiate Athletic Association's District 4 representative, Illinois officials announced last night.

The winner will represent the district in the eastern finals at Winston-Salem, N. C., June 15 to 18.

Michigan and Illinois tied for the Big Ten baseball championship each having 10 victories and two losses. Ohio university won the Mid-American conference title. Western Michigan closed its season with a 15-2 record, including five wins over Big Nine teams.

YESTERDAY'S STARS

By The Associated Press

Batting—Richie Ashburn, Phillies — Hit two singles and a double in five trips to run his consecutive hitting streak through 20 games.

Pitching — Harry Brecheen, Cardinals — Limited the Dodgers to four hits for his fifth victory at St. Louis snapped its six game losing streak, 4 to 1.

FISHING WITHOUT LICENSE

KENTON—Tommy Pitts, 37, of Alger, was fined $25 and costs in Mayor L. B. Brown's court here. Mr. Pitts, arrested by Hardin county game warden Frank Ramge, was charged with fishing without a license.

Universal Cooler Maintains Lead in Industrial League

Universal Cooler maintained top standing in Industrial league No. 1 last night with a record of 3-0 by downing Pollak, 7-4. J. Kunkle for the Cooler and J. Stanley for Pollak each permitted eight hits, and each team erred on one occasion, Bigford of Cooler connected for the only homer of the fray.

Two other contests in the league saw Huber hold Commercial in the cellar by taking a 4-3 verdict, and Fairfield dump MPS 14-10.

A triple by Edgington in the sixth, pushed in the winning run for Huber to break a 3-3 deadlock.

Commercial threatened in the last of the seventh when Frank, on base by a single and advanced to second on a sacrifice, died there when the next two batters flied out.

Ten walks by Wilcox and six errors by his mates proved the undoing of MPS as Rasey of Fairfield contributed to their downfall with a three-run homer, in the second.

Cincinnati Reds Have Bad News for National League — Ewell Blackwell Is Back in Form

The Whip Holds Slugging Giants To Two Hits As Reds Win, 6-4

By The Associated Press

The Cincinnati Reds have come up with a lot of bad news for the seven other National league clubs. Ewell Blackwell's back in form.

The stringbean righthander, sidelined for a month with a sore shoulder, last night won his first game since April 23. He held the slugging New York Giants to two hits and a pair of runs in seven innings. Nine Giants went down on strikes, although Mickey Livingston blasted a bases-empty home run for the New Yorkers in the fifth.

Blackwell, who walked six, retired after the seventh and the Reds quelled a ninth inning rally to win, 6-4. Blackwell retired after he complained he was having difficulty breathing as the result of a heavy head cold.

The victory moved Cincinnati into sixth place in the National league, only four and a half games back of the leading Giants.

Cuts Giants Lead

The loss cut the Giants' first place margin to a half-game over the St. Louis Cardinals, who broke a six-game losing streak. The Red Birds tripped Brooklyn, 4 to 1, in Sportsman's park behind the brilliant four-hit pitching of Harry "The Cat" Brecheen.

The Pittsburgh Pirates pulled to within a game of the top by outlasting Boston, 5 to 3. The Braves nicked up a run in the eighth, scored another and had the bases loaded with none out in the ninth when Elmer Singleton came to Kirby Higbe's rescue.

Young Richie Ashburn, whose powerful spring hitting boosted him from the class A Eastern league to the Philadelphia Phils, connected safely in his twentieth consecutive game as the Phils downed Chicago, 4 to 3. Ashburn, the league's fourth hitter, smashed two singles and a double.

Detroit Halts Yankees

In the American league, Detroit spurted for four runs in the eleventh inning to defeat New York 6 to 2 and Boston turned back St. Louis, 3 to 2. Cleveland at Washington and Chicago at Philadelphia were rained out.

Hal Newhouser held the Yanks to six hits in winning his fourth straight game. Hoot Evers and Vic Wertz homered for Detroit, while Joe DiMaggio accounted for both New York Tallies with a single and a long fly.

Jack Kramer tumbled his former St. Louis mates out of first division with his eight-hitter. Whitey Platt, rookie Brownie left fielder, homered with one aboard for the St. Louis runs in the seventh inning.

Reds Hope To Kill 2nd Giant Today

By The Associated Press

CINCINNATI, June 4 — The Cincinnati Reds, whose giant killing act pulled the St. Louis Cardinals out of first place, looked forward today to a chance to do the same thing to the leading New York Giants.

The first punch of a necessary one-two was delivered last night by Ewell Blackwell. Blackie came out to limit the Giants to two hits in seven innings, collecting nine strikeouts as the Reds won 6-4.

The second punch would be a victory today.

Blackie, who started his first game after a layoff because of an injured shoulder muscle, got off to a wild start. He walked in a run in the first inning, but struck out three men in the same frame.

He added to his own victory too, by getting a double and a single in three appearances.

Hank Sauer got his fourteenth homer — a powerful smash that was probably his longest hit of the year. The ball went over a sign on a laundry across a street from Crosley's left field.

Tommy Livingston, Giant catcher, also hit one across the left field boundary.

Fireman Harry Gumbert was called on to handle the last two innings for the Reds.

ANOTHER TRADE MAY BE ON TRIBE FIRE

By The Associated Press

WASHINGTON, June 4 — The Cleveland Indians may have another trade on the fire.

The rumor ran rampant in the wigwam today after it was learned President Bill Veeck had huddled this week with Billy Evans, general manager of the Detroit Tigers.

Who the Tigers are interested in was a popular topic of speculation. The names of infielder Johnny Berardino and catcher Jim Hegan were prominently mentioned, although it is believed Veeck would decline an offer both for his utility infielder and his first string receiver.

Veeck long has been known to be in search for another starting pitcher. He turned down an offer for Paul (Dizzy) Trout, the Tigers' bespectacled right-hander, last spring, probably because of Trout's poor performance in 1947, but with Trout's return to form Veeck may again be interested.

INDIANAPOLIS SOCKS COLUMBUS TWICE

By The Associated Press

Indianapolis was six full games in front of runnerup Milwaukee and St. Paul in the American Association race today after the Indians swept a doubleheader from Columbus last night, 7 to 1 and 8 to 5.

In the nightcap the winners turned in the first triple play in Indianapolis in years.

In other league games, Toledo and Louisville labored far into the night before Toledo finally took a 6 to 4 decision from the Colonels in 15 innings.

At Milwaukee, St. Paul piled up a 17 to 2 lead over the Brewers in the first seven innings and then withstood the shock of a 10-run Milwaukee barrage in the eighth to win, 17 to 12.

In a fifth league encounter Minneapolis beat Kansas City, 8 to 3.

Indianapolis hitting power featured their triumphs over Columbus. Five of the Indians six hits in the seven-inning opener and six of their 12 in the second game were for extra bases. Cal McLish won his fifth straight victory in the opener.

MEMORIAL SERVICE HELD BY ECLIPSE FAVORITE

A memorial service for members whose deaths occurred during the last year was conducted at a meeting of Eclipse Favorite No. 40, Ladies Auxiliary to the Brotherhood of Locomotive Firemen and Enginemen, Wednesday afternoon in the Odd Fellows hall. The ceremony was in charge of the president, Mrs. Dorothy McMurray. The charter also was draped for Mrs. Hazel Haver whose death occurred last month. Plans were made for a potluck supper at the next meeting in two weeks. Serving as a committee for the summer will be Mrs. Louise Griffith, chairman, Mrs. Agnes Hayman and Mrs. Grace Hoehn.

June Byers, Paul Orth Win Wrestling Matches

June Byers and Paul Orth proved to be the class of the mat at last night's mixed wrestling card at the Armory. Miss Byers defeated Rose Evans, who was substituted for Helen Hild when she took the last two falls after losing the first on a missed drop-kick. She won the second fall in seven minutes with a crab-hold, and the third with a haymaker followed by a body press in eight minutes.

After losing the first fall in 18 minutes, Orth came back to win the second in eleven minutes with a hammer-lock and the third with a crab hold in eight minutes. Jack Terry was as abusive as ever, but Orth was too much for him on this particular occasion. The Barlow brothers wrestled to a 10-minute draw in a preliminary event.

Record Field Seen for District AAU Track Meet in Dayton

By The Associated Press

DAYTON, O., June 4 — A record field and some top-hat competition shaped up today for the district Amateur Athletic Union track and field meet here June 12.

Already 11 universities, 17 high schools and five amateur groups have entered athletes and officials estimated 300 men and boys would line up for the district trials by starting time.

Three heated rivalries will highlight the extensive program, with the most attention centered on the high hurdles battle between Baldwin-Wallace's Harrison Dillard and the Dayton Athletic club's Ed Dugger.

But the going is liable to be just as rough in the quarter-mile, where Lancaster's schoolboy sensation Gene Cole will tangle with Gunther Katamar of Baldwin-Wallace and Gene Blackburn of Ohio Wesleyan.

Another torrid tussle is likely to develop in the mile run among Quentin Breisford of Ohio Wesleyan, Bruce Thompson of Miami and another schoolboy, Frank Kilgore of Dayton Dunbar.

Dillard is a general favorite to keep his string of victories intact when he meets Dugger over th chigh hurdles. Dillard turned in an unofficial world record of 13.6 seconds in the Kansas Relays this year, and has been down to 14 flat consistently without pressure.

Universities which have entered teams or parts of teams include Baldwin-Wallace, Bowling Green, Ohio Wesleyan, Capital, Heidelberg, University of Dayton, X[illegible] university, Wittenberg c[illegible] Miami university, and a g[illegible] of Ohioans from Notre Dame.

Among the high schools are Cincinnati Vocational, Columbus East, Lima Central, Columbus University school, Cleveland Central, Lancaster, Greenville, Dayton Wilbur Wright, Springfield, Hamilton, Dayton Dunbar, Akron East, West Carrollton, Dayton Fairview, Dayton Roosevelt, Osborn Bath, Oxford Stewart, Columbus Central.

Other groups of performers will come from Cleveland Athletic club, Wright-Patterson Field, Dayton Athletic club, Springfield and Columbus.

The meet will be held at the University of Dayton stadium.

Boys', Girls' States Have Carey Entrants

By The Associated Press

CAREY, June 4—George Hartman Jr., Robert Detwiler and Frank Brown have been chosen to attend Ohio Boys' State at Ohio Wesleyan university, Delaware, June 12-22. The sponsors in Carey are the American Legion post and the Kiwanis and Lions clubs. Don Traxler is alternate. Ruth Adelsperger has been selected to attend the Buckeye Girls' State at Capital university, Columbus, June 20-27. This is sponsored by the Legion auxiliary. Lois Reynolds is alternate. These young people will all belong to the senior class of Carey High school next fall.

Air Force Boxer Is Olympic Contender

By The Associated Press

CHICAGO, June 4 — Herbert Moore, skinny 19-year-old Negro lad stationed with the Air Force in the Aleutian islands, may become the "man to beat" in the light heavyweight finals for the United States Olympic boxing team at Boston June 28-29.

Moore, whose home is Cincinnati, O., displayed considerable class last night in winning his way to the semi-finals of the world wide United States Army Air Force championship tournament.

Winner of 32 consecutive fights by knockouts, Moore came dangerously close to adding Grant Hodges of the Second Army to his list of victims.

He had Hodges wobbly in the third and final round from sharp right hand punches to the head, but he was unable to finish him. Moore, however, won a unanimous decision.

FISHERMEN TALK

CRESTLINE, June 4—The program of the Kiwanis club Wednesday night in charge of C. E. Dewald had as its theme "Truth and Nothing But the Truth" and featured four members in talks on their fishing experiences: Ted Hoffman, L. L. Hill, Ernest Linn, and Rev. R. L. Van Scoy. More fishermen will give talks at meetings later, and the judge listening in, unknown to participants and most members, will report the winner.

SLAIN MAN'S WIDOW, FARMHAND ARE HELD

By The Associated Press

HAMILTON, O., June 4—Prosecutor Paul Baden planned to file murder charges today against Cyril Gordon, 26-year-old farmhand and Mrs. Marie Conn Abbott, 40, widow of slain Marris R. Abbott, Reily township farmer.

Baden and Butler county sheriff Charles Walke said Gordon, arrested as a surpect shortly after Abbott's body was found, had signed a statement admitting hitting Abbott with a mattock after an argument about Abbott's wife.

Baden ordered Mrs. Abbott taken into custody yesterday after Gordon made an oral statement admitting the slaying.

Sheriff Walke quoted Gordon as saying he had gone to Indianapolis and hired a truck in which he returned to the Abbott farm. The argument occurred, Walke said Gordon told him, when Gordon attempted to talk Abbott into divorcing his wife.

Walke reported Gordon told of hitting Abbott with the mattock and then placing his body in a truck and taking it to a Chesapeake & Ohio railroad track where it was found jammed between the rails.

Map Summer Program At Cub Pack Meeting

Summer program plans were discussed, advancement awards were made at a meeting of Pack 29, Cub Scouts, sponsored by the Forest Lawn Presbyterian church, this week at the church. Thirty boys and 25 parents were present.

Herman Powelson, Cubmaster, presided for the meeting of the parents, during which an attendance award for the largest number of parents present was given to Den No. 5, Mrs. Mary Robbins Denmother. Cecil Gabler, principal of Vernon Junior High school, gave a talk on "What Does Cubbing Do for the Boys?"

Plans were discussed for activities in July, August and September and committees were named to be in charge of arrangements. In July, a picnic is to be held at Garfield park. Named on the committee for this are Cleal Salke, chairman, Mrs. Larry Monroe, N. H. Hinklin, Mrs. Merle Wise and Mrs. Carl Phillips. In August, an outing will be held at the Mohican state park. Serving on the committee in charge will be William Merchant, chairman, Ronald Patten, Mrs. Frank Warwick, Jack Gay and Floyd Dennis. The group will go to Camp Owens for a field day in September. In charge will be N. S. Hearn, Dale Weston, Richard Sells, Coder Frost and Charles Thomas.

Advancement awards were made as follows: Bruce Miller, Richard Sells and Ronald Patten, Bobcat; Jerry Schwaderer, Larry Monroe, Charles Salke, Buddy Warwick, Karl Wurtenbruch and Richard Dennis, wolf; Jerry Schwaderer and Jack Gay, denner's stripes; Buddy Warwick, silver arrow, and Jim Powelson, John Fabian and Jim Merchant, two-year service pins.

A new Denmother, Mrs. Cleal Salke, and a new committeeman, Ernest Williams, were introduced.

DR. TURLEY TO PREACH

Dr. Charles E. Turley, appointed by the recent Ohio annual conference of the Methodist church to supply as pastor of the Waldo-Norton Methodist charge, will fill the pulpits on each church Sunday morning. He was pastor of Epworth Methodist church in Marion a number of years ago, and following his retirement from the active pastorate at the 1946 conference, he and Mrs. Turley resided in Florida. He will preach at the worship service of the Norton church Sunday at 10 a. m., and at the service of the Waldo church at 11.

Love's Perilous Path

By ADELE GARRISON

"I know you can shower and dress all by yourself," I told my rebellious small daughter, "but this morning we must hurry very fast, both of us. You see, we're late for breakfast already, and Granddad is waiting for the shower."

Her eyes clouded with contrition.

"I suppose I held up the game with all that fool talk of mine," she said, and while I did not reprove her for her careless speech, I did grasp the opportunity to emphasize the admonition her grandfather had given her.

"Yes, you did," I told her, "but I'm sure you won't say anything more like that."

"Never, never," she said emphatically, and then she put the question I knew was coming.

"Mummy, what did Granddad mean by 'family group,' he said. "I'm all mixed up on that."

"I'll tell you about it sometime today,' I said, "but not now. You go into your bedroom now, and finish dressing, while I tidy up the bathroom for Granddad. Then we'll go over and see Cousin Mary who has ordered breakfast for all of us, but who doesn't want us over there until she has had a chance to get dressed—she has had to do all the telephoning, you know."

"Yes, I know," she said, "and I'll hurry.' But a minute later she put her head into the bathroom.

"Mummy!" she said coaxingly. "What did you order for me for breakfast?"

I had an irritated impulse to tell her "cereal," but pushed it back as I saw her eager eyes.

"Will you go back and not ask me another question before breakfast, if I tell you?" I bargained.

"Cross my heart," she began, but I cut her short.

"Never mind that now," I said. "I'll take your word. I asked Cousin Mary to order the same breakfast for you as for the rest of us, orange juice, bacon and an egg, little hot rolls and butter and jam, and for you, chocolate milk."

"Oh, Mummy!" she gurgled. "I do think you're the most scrumptious mother a girl ever had."

Then a canny look came into her eyes, and she put another question.

"How many eggs?" she asked.

"One," I said with decision. "Now, remember, no more questions, and get dressed as quickly as you can."

"Okay!" she said, and disappeared into her own room. I put the bathroom in order, and went back into the room where my father lay.

"Everything in order," I told him, "and Faith is safely in her own room. The bathroom is empty, and in a little while I shall take her over to the living room. Come over when you're ready for breakfast. I took the liberty of ordering your invariable breakfast."

"Thank you," he said. "I'll make haste showering and dressing."

"Don't hurry!" I admonished him, always uneasy when he goes through the quick routine which always has been his. "You have plenty of time."

"All right, my darling," he said, smiling at me, and I went back to Faith with the little catch in my throat which comes there every time I realize that the years are taking their inevitable toll of his strength.

When I took her over to the living room, Mary was ready for us, as was Katharine. A minute later, Dicky sauntered in, and then, almost at his heels, Noel appeared. Last of all came my father with a smile which indicated his pleasure at having reached the room before the waiters from room service. They arrived, however, two minutes later, and we were soon discussing a delicious breakfast. Then Noel, evidently forgetting that Faith was present, "spoke out of turn."

"Well!" he said. "Did you get the royal play boy safely into sanctuary? Olina is terribly anxious to hear all about it."

Fire Causes Little Damage in Poolroom

A fire at the Anthony Ross poolroom at 781 Bellefontaine avenue at 12:05 a. m. today was put out by firemen from West Center street station. The blaze, originating in a wastebasket, caused slight damage. Central station firemen responded to a call at 5:45 p. m. yesterday to wash gasoline off the street in front of 142 South Main street. The gasoline had been spilled by a gasoline truck parked there.

Marion Girl Offered Scholarship at OSU

Miss Joan Schelb, Marion student who will be graduated from St. Mary of the Springs college at Columbus Sunday, has been offered a fellowship at Ohio State university, according to word received by her parents, Mr. and Mrs. G. M. Schelb of 315 S. Prospect street. She has majored in English and minored in commerce at St. Mary college. On her graduation from St. Mary High school here, she was granted a scholarship to St. Mary of the Springs. At the college, she has been co-editor of the senior year book, secretary of the press board, and on the staff of The Tower, another school publication. At the St. Mary graduation exercises at 3 p. m. Sunday, she will receive her bachelor of arts degree.

Two Arrested Here On Traffic Charges

Arrest of two on charges of traffic violations were reported by the state highway patrol today. Elsworth Adkins of Bradner was released under $25 bond following his arrest at 11:30 p. m. yesterday on a charge of speeding on highway 23. He is to appear in municipal court tomorrow morning. Lester Miller of 191 Fleo avenue, arrested at 6:15 p. m. charged with operating a motor vehicle without a driver's license, was cited to appear in municipal court tomorrow morning. He was arrested on highway 30-S about four miles west of Marion, following an automobile accident which involved a car driven by Gerald Rosencopery of Great Neck, N. Y.

GALION POLICE BALL HELD

GALION—Junior High school gymnasium was gaily decorated for the gala annual Policeman's ball held Wednesday night, sponsored by Galion lodge, Fraternal Order of Police with Patrolman W. E. Steve Canyon — By Milton Caniff

DID THEY GRIDDLE YE QUITE SOME, STEVIE?
YEAH, HAP—AND WE'RE IN A SQUEEZE! I PUT ON THE TOUGH GUY ACT, WITH AN UNDERGROUND JOE SITTING THERE TAKING NOTES!
WHEN THEY PIN DOWN THE FACT THAT I'M AN AIR FORCE RESERVE OFFICER, THEIR PROPAGANDA BOYS WILL MAKE AN EMBARRASSING BLAST OF IT!
TOO BAD OUR MAGIC CARPET IS LAID UP WITH A FLAT NAP!... HEY! THERE'S THE NATIVE GIRL WHO WAS SO FRIENDLY TO US BEFORE! WHAT'S SHE TRYING TO DO?
WHY—IT'S THE SIGNAL AN AIRDROP FLAGMAN USES TO ORDER THE WHEEL CHOCKS PULLED! IT MEANS WE'RE ABOUT TO
TAKE OFF!

PICKING UP THE DROP-CLOTH FROM THE HOSPITAL ROOM— ACRES O'RILEY PONDERS HER NEXT MOVE.
A JAR! SURGICAL SCISSORS.
SHE CUTS A CIRCULAR HOLE IN THE CANVAS—
SLIPS THE CLOTH OVER HER HEAD AND TIES A STRIP AROUND HER WAIST FOR A BELT—
MAKES HER WAY DOWN THE REAR HALL AND OUT THE SERVICE ENTRANCE.
BUT WAIT— THERE SEEMS TO BE SOMETHING VERY PECULIAR ABOUT THAT DROP-CLOTH.

I WAS TALKING WITH WILMER ABOUT VACATIONS, NINA. COULDN'T WE TAKE THE SECOND TWO WEEKS IN JULY INSTEAD OF THE FIRST?
GOODNESS NO, SKEEZIX! THAT'S WHEN MY DRESSMAKER GETS BACK FROM HERS, AND I'M SCHEDULED FOR THEN.
HOW ABOUT THE FIRST TWO IN AUGUST?
NO, I'VE PROMISED TO GO OUT TO THE FARM. THEN AND DO CANNING WITH MOTHER.
YOU TALK IT OVER WITH WILMER. I'M SURE HE'LL CHANGE HIS MIND.
THAT'S EASY, BUT HE'S MARRIED, YOU KNOW.

Joe Palooka — By Ham Fish

SHE'S RESTING IN THE OTHER ROOM... I KNOW THE STRAIN ON YOU MUST BE TERRIBLE... WANT A SEDATIVE?
NO THANK YOU... I GUESS THE SHOCK HIT ME PRETTY HARD... DID SHE KNOW ME AT ALL?
LISTEN, OLD MAN... THIS IS BEYOND MY FIELD... WE'RE GOING TO GET HER TO A TOP PSYCHIATRIST...
Y-YES.
ARE YOU FEELING BETTER, DEAR...

TODAY'S BIRTHDAY

By AP Newsfeatures

ROSALIND RUSSELL, born June 4, 1912, was the tomboy of her neighborhood in Connecticut. She was said to be the best baseball player of the district. Her father was a rich lawyer, her mother one of the fashion editors of Vogue magazine. Her great energy often is credited with sparking her film success. She attended Barnard, then drama school and got a $15-a-week job in a tent show. In films she played "henvies," then comedy, but also proved she could do high drama.

One Man's Opinion

By WALTER KIERNAN

Harold Ickes' diary is out and we're not half through with the Harry Hopkins-Cordell Hull-Jim Farley-Henry Morgenthau — "I was the White House housekeeper" memoirs.

* * *

Some fiction seems to have been getting into the "Voice of America" which congress seems to think was much stranger than fact but these boys just haven't been keeping up with the diary output.

* * *

But if anyone wants to make our form of government less understandable than it is to residents of other lands there is always the 10-foot shelf of "White House Memoirs" (or "Ju-Jitsu Self-Taught") available for quotation.

* * *

Not as fully illustrated as the WPA guide books but just as interesting . . . and also a product of depresstion.
